## SAXOPHONE Robert Waldruff

The sweet rhythms of bliss,  
that's the ticket, none of this  
deserves consideration.  
Just listen to the blues.

Lay back dude, everything's cool.  
Look to the stars for motivation—  
ain't going to worry for nobody.

They appeared without warning,  
no jazz in their lives. Get away  
people, I'm listening to my life;  
don't you feel the jibe?

We mean no harm mister,  
but can you see the world  
beyond the beauty of sounds?

Not sure what you mean,  
you saying the symphony  
sings a selfish note.

No, just wishing the angels  
of grace will send us some  
music.
