*Before the round starts:
Once everyone has settled, mark the seat in which you are sitting, and mark an X in any empty seats. This will help you visually recall who participated in your small groups.
*Before the round starts:
Once everyone has settled, mark the seat in which you are sitting, and mark an X in any empty seats. This will help you visually recall who participated in your small groups.
*Before the round starts:
Once everyone has settled, **mark the seat in which you are sitting**, and **mark an X in any empty seats**. This will help you visually recall who participated in your small groups.
