Commencement
MAY 12, 2018
THE RICHMOND COLISEUM • RICHMOND, VIRGINIA
Dear Class of 2018:

Virginia Commonwealth University takes pride in the work it does to educate, create, research, heal and serve. The education students receive here is relevant not only to what is happening today, but also to whatever may be in the future.

Today we celebrate, as you, the Class of 2018, become graduates of VCU. Your success at one of America’s great public research universities signifies that you have done more than complete your courses and receive grades. Your degree signifies years of hard work and dedication to refining your skills and acquiring new ones. Your dedication to academic excellence will translate well to whatever you choose to do in the future.

For 180 years, your alma mater has focused on preparing students for a future as creators, educators, healers, innovators and entrepreneurs. As a graduate of VCU, I hope you will remember that your opportunities are without limit because your potential is limitless. On behalf of the faculty, staff, students and proud alumni of Virginia Commonwealth University, I congratulate you on the remarkable achievement of your Commencement. We are incredibly proud of you and wish you the brightest future possible.

Best wishes,

Honorary Doctor of Humane Letters

Boris Ofuatey-Kodjoe is an actor and philanthropist. Kodjoe currently stars as Dr. Will Campbell in the CBS medical drama “Code Black.” Previous TV roles include Phil Miller in “The Last Man on Earth,” playing himself in “The Real Husbands of Hollywood,” Steven Bloom in “Undercovers,” and sports agent Damon Carter in Showtime’s “Soul Food.” For his work on “Soul Food,” he received three NAACP Outstanding Supporting Actor nominations.

He made his Broadway debut in 2008 in “Cat on a Hot Tin Roof,” where he starred as Brick, opposite legendary actor James Earl Jones. On the big screen he starred in films such as “Resident Evil: Afterlife,” “Brown Sugar,” “Love & Basketball,” “Surrogates,” “Addicted,” and most recently, Kodjoe was the voice of Klaus in “Ferdinand,” the animated film adaptation of the childhood classic, “The Story of Ferdinand.”

He is also a philanthropist who with his wife, actor Nicole Ari Parker, is dedicated to raising awareness of health disparities surrounding birth defects via their nonprofit, Sophie’s Voice Foundation. The foundation was established in honor of their daughter who was diagnosed at birth with the neural tube defect spina bifida. Together, they advocate for educating women on the issue, folic acid fortification of foods and family outreach programs to address the needs of those affected with spina bifida.

Kodjoe attended VCU on a tennis scholarship and graduated with a bachelor’s degree in marketing. As a student-athlete, he was a four-year letterman and is 11th in VCU Tennis history with 75 career single wins. During his time with VCU Tennis, he was ranked as high as 29th nationally by the Intercollegiate Tennis Association. Upon graduation, Kodjoe was signed as a model and eventually started studying acting. He was inducted into the VCU Athletics Hall of Fame in 2017.

Born in Vienna, Austria, and raised in Gundelfingen, Germany, to a Ghanaian father and German mother, Kodjoe now lives in Los Angeles with his wife and their two children, Sophie and Nicolas.
Edward A. Wayne Medal

Charles Crone is the retired president of MC Wholesale Club and the former vice president of the Williamsburg Pottery. He attended Frederick College in Portsmouth, Virginia, and holds honorary alumnus status at the College of William & Mary. Ginny Crone is retired from BASF Corp. She holds a B.S. in economics from Cornell University and an M.B.A. from William & Mary.

The couple’s exceptional generosity has made a great impact on multiple areas of VCU, including Massey Cancer Center, MCV Foundation, VCU Health, College of Health Professions, and the schools of Medicine and Nursing. Through three decades of involvement, they have made the schools, centers and clinics across the medical campus better and stronger.

In 1987, Ginny and Charles organized a Massey 5k fundraiser in Williamsburg. The annual event has grown substantially over the years, raising $300,000 for cancer research. The couple has also taken an instrumental role with the MCV Foundation’s Discovery Series, a program to raise awareness beyond Richmond of the outstanding research, care and education on the MCV campus. Charles has actively served on several boards, including the MCV Foundation Board, the Campaign for the Heart Center Advisory Board, and as a founding and now emeritus member of the Massey Cancer Center Advisory Board.

The Crones have also given generously of their time and support to other organizations, including Hospice House and Support Care of Williamsburg, Walsingham Academy, Hargrave Military Academy, William & Mary, Literacy for Life, Rotary International, the Williamsburg Health Foundation, Housing Partnerships and Child Development Resources.

Ginny and Charles’ passionate dedication to VCU through 30 years of philanthropy and volunteer engagement has been extraordinary. Their devoted service will leave a meaningful and lasting impact on our community for years to come.

The Crones live in Williamsburg and have two adult children and twin grand-daughters.

2018 Recipients
M. Virginia and Charles F. Crone
Board of Visitors Award

The Virginia Commonwealth University Board of Visitors Award recognizes the achievements of an outstanding undergraduate student who represents the distinctive attributes of a VCU student: outstanding academic achievement, leadership and service to the university and the community at large. The recipient of the award will receive a one-year scholarship in the amount equal to in-state tuition and fees.

Terry Levon Everett, a junior biology major, exemplifies the spirit of Virginia Commonwealth University.

Since childhood, Everett always strived to be the best individual he could be — through excellent academic achievement, leadership and service. From honor societies to team sports, he was highly involved in every community he joined and upon arriving to VCU, he partook in the Lewis Stokes Alliance for Minority Participation and Ram Camp leadership programs. In 2015, Everett completed the I-LEAD retreat, fostering a great rapport with the faculty and staff of the Student Leadership and Involvement Center, and continued his outstanding service on campus.

On Martin Luther King Jr. Day in 2016, he and his friends filmed a #BlackExcellence rap video, which highlighted their future aspirations to become doctors and garnered over 100 million views on social media. Soon after, Everett and his family started B the Movement, a motivational speaking company where he and his twin brother, Terrence, give speeches at events in impoverished and underrepresented communities. Over the past two years, they have traveled to 17 cities across the United States inspiring youth and young adults.

Everett has served as a New Student Orientation leader and currently serves as a student ambassador, health promoter and advocate, research assistant, CEO of B the Movement, and vice president of the Theta Rho Chapter of Alpha Phi Alpha Fraternity Inc. He also sits on multiple committees for inclusivity. This summer, he will conduct biomedical research at Michigan State University and intends to study abroad after graduation. In the future, Everett plans to own a practice with his brother that includes a department for teenage students to learn and be inspired to pursue their goals and dreams.

A native of Newport News, he is one of four children of Terrence and Tikishia Everett.

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval caputium) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk’s cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor’s gown was often furred, which survives today in the ornamentation found on the doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

Recipients of Degrees

Because of rigid time requirements, this program must be printed before the final list of degree candidates and final graduation honor status for undergraduate students can be determined. The exclusion of the name of a student is not to be taken as indication of official status as a nongraduate, nor is the inclusion of a name of a student to be taken as certification of official status as a graduate. Only undergraduate students are eligible for honors designations. These designations do not apply to the degrees received by graduate students.

University Honors and Awards

Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn by these students at Commencement recognize this achievement; this distinction also is noted on the students’ official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service and patient care. To realize and recognize academic excellence is VCU’s highest priority. The Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.
The Honor Society of Phi Kappa Phi

Phi Kappa Phi is a national honor society founded in 1897. The Virginia Commonwealth University chapter was established in 1976. The primary objectives of the society are to promote the pursuit of excellence in all fields of higher education and to recognize outstanding achievement by students, faculty and others through election to membership and various awards for distinguished achievement.

Phi Kappa Phi typifies the honor society’s ideal characteristic of American higher education, for it exists for the dual purpose of recognizing and honoring those students who attain high scholastic achievement and encouraging those students who are capable of doing so.

Phi Kappa Phi is unique because it recognizes scholarship in all academic disciplines and does not restrict membership to a specific field. Its interest and eligibility are extended across all subjects offered at the modern university and, by so doing, the society highlights the importance of appreciating and understanding more than a single limited specialty.

In March 2016, VCU Alumni’s board of governors approved Virginia Commonwealth University’s first alma mater, “We Gather Here.” Written by Lemont “Monty” Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university’s commitment to providing students with experiences that they carry with them beyond their years on campus.

“We Gather Here”

**Lyrics:** Monty Kier \quad **Music:** Andy Kier

We gather here, our voices raise,
of VCU we sing our praise,
the Black and Gold our colors show,
diversity and value grow.
We’ve learned so much beyond each class,
the joy of friendship will not pass.
So much in life is mem’ry borne,
of VCU they’ll not be shorn.

The mem’ries of a campus walk,
so many friends, we stop to talk,
the friendships here were made to last,
they’re in our minds though years have passed.
The seasons pass, the years roll by,
from VCU the reason’s why
we are enriched from values learned,
they bring us joy that we have earned.

Next year again we will be here
to see our school and give a cheer.
So VCU keep all that is great,
you’ve brought us joy that is our fate.
So come let us sing of VCU,
with ev’ry verse we will renew
the mem’ries from our campus time,
each one embedded in a rhyme.
Dear graduate,

On behalf of VCU Alumni, I am privileged and honored to congratulate you on this wonderful occasion. Although you likely received much support and encouragement from your families and friends, this is a personal achievement that is a tribute to your hard work and intellectual perseverance.

As you bring this chapter of your academic career to a close, I hope you will take a moment to recognize the opportunities that your university and alumni organization have provided to prepare you for this next step in your journey. You might be leaving campus, but you are not leaving alone. As a graduate, you join a community of more than 190,000 alumni throughout the world who engage with their communities and their alma mater to build on the strong foundation established by our past and present alumni organizations and leaders.

Your relationship with your alma mater can enhance and impact your life long after you graduate. No matter where life takes you, VCU Alumni and its more than 40 chapters offer you opportunities to stay engaged with the university and with your fellow classmates. My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

Be proud of your university because we are proud of you.

Yours for VCU,

James E. Williams (B.S.’84/GPA; M.S.’96/GPA)
President, VCU Alumni
Virginia Commonwealth University

What we now know as Virginia Commonwealth University began as two institutions: the Medical College of Virginia, established in 1838 as the medical department of Hampden-Sydney College, and the Richmond School of Social Economy, founded independently in 1917, then becoming the Richmond division of the College of William & Mary in 1925.

The Medical College of Virginia gained independence from Hampden-Sydney in 1854 and became state affiliated in 1860. In 1939, the College of William & Mary changed the name of its Richmond campus to Richmond Professional Institute. RPI became an independent state school in 1962.

In 1967, VCU came closer to its current state. Edward A. Wayne Sr., president of the Richmond Federal Reserve Bank, along with city and state leaders recommended the formation of a university using resources from MCV and RPI. With the signature of Gov. Mills E. Godwin Jr., Virginia Commonwealth University came into being in 1968 with Warren W. Brandt as president.

Today, President Michael Rao, Ph.D., is the leader of VCU and VCU Health System. A premier, urban public research university, VCU has garnered $275 million in sponsored research as one of the nation’s top 100 research universities. In 2016, U.S. News & World Report listed several VCU graduate and first-professional programs in the top 50 of their rankings. The School of the Arts, ranked second overall, holds a top ranking among public institutions. Among graduate and first-professional rankings, VCU’s nurse anesthesia program is top in the nation. The same publication ranked VCU Medical Center’s state-of-the-art care in more than 200 specialty areas among the best in the nation. A safety-net hospital, VCU Medical Center is the top hospital in the metro area and is the only Level I trauma center in Central Virginia. Additionally, the medical center is ranked second in the commonwealth as the top place to seek medical care and treatment in areas ranging from organ transplantation and burn healing to head and spinal cord trauma and cancer treatment.

With an enrollment of more than 31,000 students from 102 countries in 217 degree and certificate programs — 38 of which are unique to Virginia and serve cross-disciplinary purposes — VCU also boasts educators who are nationally and internationally recognized for their excellence in the arts, business, education, engineering, the humanities, life sciences, social work and all of the health care professions. VCU employs over 2,200 full-time instructional faculty who are nationally and internationally recognized for their high-quality instruction across 11 schools and three colleges.

With campuses beyond Richmond, VCU students and faculty live and work in locations throughout the commonwealth and the world. For over a decade, students enrolled at VCUarts Qatar receive the same world-renowned education and training as students in Richmond.

The School of Medicine and School of Pharmacy’s collaboration with Northern Virginia’s Inova Health System successfully established the VCU Inova campus and now educates third- and fourth-year medical and pharmacy students. In Charlottesville, the School of Pharmacy’s second satellite location for Doctor of Pharmacy students operates at the University of Virginia Medical Center.

More than 190,000 VCU alumni live worldwide, leading and positively impacting their communities.
Congratulations to all!
