ENDOWED PROFESSORSHIPS

Endowed professorships have been established in honor of these individuals who have played vital roles in the development of the College:

Arthur Graham Glasgow Professorship of Hospital Administration. This professorship was established in 1957 in honor of Doctor Glasgow, who provided so generously in his will for the College and who has shown such a vital interest in hospitals;

Stuart McGuire Professorship of Surgery. This professorship was established in 1959 in honor of Dr. Stuart McGuire, who was president of the University College of Medicine when it was consolidated with the Medical College of Virginia in 1913, and who was successively professor of surgery, dean, president, and chairman of the Board of Visitors of the combined institutions. Doctor McGuire died in 1948. His wife, Mrs. Ruth Robertson McGuire, died February 10, 1963. The bulk of the estate of both Doctor McGuire and his wife was bequeathed to the College at her death to be used for the department of surgery;

William Branch Porter Professorship of Medicine. This professorship was established in 1959 in honor of Doctor Porter, who was chairman of the department of medicine from 1927 to 1956 when illness forced his retirement. He died October 6, 1960, leaving his entire estate in trust for the MCV Foundation for use of the department of medicine;

Harvey B. and Gladys V. Haag Professorship of Pharmacology. Established in 1963, this professorship honors Dr. Harvey Bernhardt Haag and his wife, Mrs. Gladys Vaden Haag. Doctor Haag, who died October 14, 1961, joined the College faculty in 1923 and was promoted to professor and chairman of the department of pharmacology in 1933. He also served as dean of the school of medicine from July 1, 1947 to January 1, 1951. Mrs. Haag died September 20, 1962. At Mrs. Haag's death, the bulk of their joint estate came to the MCV Foundation for the department of pharmacology.

ALFRED L. BLAKE REAL ESTATE CHAIR

The Alfred L. Blake Chair of Real Estate was established in 1972 by the Virginia Realtors Foundation in honor of Mr. Alfred L. Blake, Sr. Mr. Blake, a Richmond realtor, was the founder of the Richmond-based firms of Mortgage Investment Corporation and Alfred L. Blake and Sons. Alfred L. Blake, Jr., was instrumental in creating the Chair which provides a new dimension to the program in Real Estate and Urban Land Development at the University.

ACADEMIC COSTUME

Academic costume worn today at American college exercises goes back in its essential features to the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical costumes, largely borrowed from the monastic dress of that day not just on special occasions, but as their regular costume.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect their tonsured heads. In the universities, this skull cap acquired a point on top, which gradually evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the mediaeval tassel.

The hood (the mediaeval *caputium*) was originally a head covering worn over the head in bad weather; otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early sixteenth century it was restricted to graduates; thus it became the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions.

The gown worn today is the mediaeval *roba* and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors, and masters could be distinguished by the simplicity or elaborateness of their gowns. The doctor's gown was often furred—this survives today in the ornamentation found on the doctoral gowns. Usually the gown is black, but some colleges have colored gowns.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer. Some of these are:

<i>Arts, Letters, and the Humanities</i>	<i>White</i>
<i>Business</i>	<i>Drab</i>
<i>Dentistry</i>	<i>Lilac</i>
<i>Education</i>	<i>Light Blue</i>
<i>Fine Arts, Architecture</i>	<i>Brown</i>
<i>Laws</i>	<i>Purple</i>
<i>Library Science</i>	<i>Lemon</i>
<i>Medicine</i>	<i>Green</i>
<i>Music</i>	<i>Pink</i>
<i>Nursing</i>	<i>Apricot</i>
<i>Pharmacy</i>	<i>Olive Green</i>
<i>Philosophy</i>	<i>Dark Blue</i>
<i>Public Health</i>	<i>Salmon</i>
<i>Science</i>	<i>Golden Yellow</i>

HISTORY OF VIRGINIA COMMONWEALTH UNIVERSITY

Virginia Commonwealth University was created by an act of the General Assembly of Virginia during its 1968 session. The University was formed, effective July 1, 1968, by combining Richmond Professional Institute and the Medical College of Virginia. RPI became the nucleus of the Academic Division, and MCV was designated as the Health Sciences Division of the University.

The Academic Division began as the Richmond School of Social Work and Public Health in September 1917. The School opened with 31 students and one full-time teacher and director, Dr. Henry Horace Hibbs.

In 1925, the Richmond School of Social Work and Public Health became the Richmond Division of the College of William and Mary. In 1939, the name of the institution was officially changed to Richmond Professional Institute of the College of William and Mary.

By act of the General Assembly in 1962, Richmond Professional Institute was separated from the College of William and Mary and made an independent state-supported institution, effective July 1, 1962.

Throughout the years of development, the school has been ably led by its chief administrators. Doctor Hibbs has been succeeded by Dr. George J. Oliver (1959-1967), Dr. Roland H. Nelson, Jr., (1967-1968), and Dr. Warren W. Brandt, elected by the Board of Visitors to serve as the new University's first president.

The Medical College of Virginia, was opened in 1838 as the medical department of Hampden-Sydney College. The archives reveal no remarkable events until 1853 when a controversy led to a rupture, and the medical department of Hampden-Sydney College became the Medical College of Virginia, an independent institution chartered February 28, 1854. When the Commonwealth of Virginia appropriated \$30,000 for the Colleges' first hospital in 1860, MCV became a State-supported institution. In 1893, a second medical college, the University College of Medicine, opened its doors just two blocks from the Medical College of Virginia. These two were consolidated in 1913.

The hospital facilities consist of five hospitals with a total bed complement of approximately 1,100 and an outpatient department.

The present teaching program consists of the Schools of Medicine, Dentistry, Pharmacy, Nursing, Graduate Studies, and Allied Health. The School of Allied Health includes Programs in Hospital Administration, Medical Technology, Nurse Anesthesiology, Occupational Therapy, Patient Counseling, Physical Therapy, and Radiologic Technology. A Bachelor of Science degree Program in Dental Hygiene is offered in the School of Dentistry.

Programs are also offered in advanced immunohematology and cyto-technology, and there is a dietetic internship. Plans call for the addition and expansion of programs in the near future.

The Board of Visitors has adopted 1838 as the founding year of Virginia Commonwealth University as it is customary to date an educational institution from the date of the establishment of its earliest component.
