MEDICAL COLLEGE OF VIRGINIA • RICHMOND, VIRGINIA

OCTOBER, 1959

Stuart McGuire Chair of Surgery Established

Samuel M. Bemiss, chairman of Board of Visitors, Mrs. Stuart McGuire, Dr. Hunter McGuire, Mrs. R. Cary Montague (sister of Dr. Stuart McGuire), Dr. John Bell Williams, director of St. Luke's Hospital and former member of MCV Board of Visitors, and President R. Blackwell Smith, Jr., following the Convocation luncheon.

Mrs. McGuire Accepts Board Resolution

Announcement of the establishment of The Stuart McGuire Professorship of Surgery was made on September 28 during the Convocation exercises of the 1959-60 session.

Samuel M. Bemiss, chairman of our Board of Visitors, presented Mrs. Stuart McGuire a framed copy of the Board's resolution designating the professorship held by the chairman of the department of surgery as *The Stuart McGuire Professorship*.

Dr. Hunter McGuire, nephew of Dr. Stuart McGuire, presented to the College on behalf of the staff of McGuire Clinic and St. Luke's Hospital the desk and chair used by his uncle for many years at St. Luke's Hospital.

Doctor McGuire was professor of surgery at MCV from 1913 to 1922. He was president of the University College of Medicine, founded by his father, Dr. Hunter Holmes McGuire, in 1893, which was consolidated with MCV in 1913. Following the consolidation, he was dean of MCV from 1913 to 1919, president from 1919 to 1925, and chairman of the Board of Visitors from 1932 until his death in 1948.

Committee Named to Pick Chairman

Dr. W. Taliaferro Thompson, Jr., professor and chairman of the department of medicine, heads a committee of seven to recommend a chairman of the department of pediatrics.

Other members are Dr. Walter Bundy, Jr., associate professor of pediatrics; Dr. Robert Senescu, professor and chairman of the department of psychiatry; Dr. Boyd W. Haynes, Jr., assistant professor of surgery; Dr. Erling S. Hegre, professor of anatomy; Dr. Robert Q. Marston, assistant dean of the School of Medicine, and Dr. William F. Malony, *ex officio*, dean of the School of Medicine.

This committee will seek a permanent successor to Dr. Lee E. Sutton, Jr., who retired from the chairmanship last year. Dr. Carolyn McCue is serving as interim chairman.

McGuire Lectures—October 22-24

The thirty-first annual McGuire Lecture Series will be held here October 22-24. Outstanding American and European specialists will participate in the series. The annual meeting of the Society of Pelvic Surgeons will be held in conjunction with the lecture series. The program has been arranged by Dr. Randolph H. Hoge, professor of gynecology and chairman of the division of gynecology. Doctor Hoge is one of the founders of the Society and is currently vice-president.

Dr. Joe Vincent Meigs, clinical professor of gynecology, Harvard Medical School, will give the annual McGuire Lecture on October 22 at 8:30 p. m. A symposium on pelvic disease will be held on October 22 and 23. Dr. George N. Papanicolaou will be among the opening day speakers. Programs are available through Dr. K. Nelson.

Miss Erline Perkins Has New Book Off The Press

Miss Erline Perkins, associate director of the department of nursing and assistant professor of nursing, has a new manual entitled *Aseptic Technique for Operating Room Personnel* off the press of W. B. Saunders Company. This manual will serve as a guide for the professional nursing student, giving her a foundation for her role as a leader on the nursing team in the operating room. It can be used equally as well by graduate practical nurses, operating room technicians, surgical aides, and others.

Our congratulations to Miss Perkins on this accomplishment. Perhaps this is only the beginning of other worthwhile publications in the field of nursing.

MCV — A Statewide Institution

An impressive story of MCV contributions to Virginia and to its people was related to the Governor and his budget advisors when they visited the College last month.

Here are some of the highlights:

Dentistry—Almost two-thirds of the dentists now practicing in the State are graduates of our School of Dentistry.

Pharmacy—More than three-fourths of the pharmacists now practicing in Virginia are MCV graduates.

Medicine—Of the 2,000 Virginia trained physicians now practicing in the State, almost two-thirds were educated here.

Nursing—Of some 500 students now enrolled in state-supported schools of professional nursing, MCV is educating more than 60 per cent.

Scope of Service—The various schools of the College last year enrolled students from 90 of the 98 counties of the State. The hospitals of the College served 32,000 inpatients, representing 96 of the counties; the clinics recorded 93,000 patient visits, representing service to 88 Virginia counties.

Dr. R. Blackwell Smith, Jr., president, and the deans of the respective schools emphasized the statewide character of our institution, and the great effort on the College's part through the years to provide from its own resources as much as possible of the support needed. As an example, it was pointed out that gifts and grants and income from endowment and trusts amount to more than \$3,000,000 in a two-year period and represent, in part, the College's efforts to obtain from non-state sources funds for the support of its programs.

These institutional funds make possible appropriate programs, which the State does not wish to finance or at present is not able to finance. For example, funds derived from endowments and gifts and grants strengthen and supplement our program, without cost to or commitment on the part of the state, by:

- (1) Financing almost entirely the vitally necessary and extensive research programs regarded by all informed medical educators as essential to progress in medical practice and to sound medical education;
- (2) Providing funds for supplementing state faculty salary scales when necessary to obtain scarce and expensive faculty personnel;
- (3) Providing supplementary and otherwise unavailable teaching services by research personnel paid entirely from such institutional funds;
- (4) Providing fellowships in support of predoctoral and postdoctoral students and scholarships;
- (5) Providing supplemental funds for maintenance and minor alterations for which state funds are not available;
- (6) Providing equipment, often expensive, for which state funds are not available.

In viewing the Hospital Division requests, the Governor and his advisors were reminded that in addition to providing patients for teaching purposes, the appropriation for patient care furnishes needed medical services for indigents, who are unable to pay for their care and for whom no political subdivision will accept responsibility.

Members of the College family, and friends of the institution, await with keenest interest the Governor's recommendations to the General Assembly next January.

••• M C V Needs Defined in Budget Requests •••

Governor Almond and his advisory board on the budget have under consideration MCV appropriation requests for 1960-62, designed to meet our essential needs for the next two years beginning July 1.

First on the list of capital outlays is our request for \$4,400,000 in state funds for the Medical Education Building, which President R. Blackwell Smith, Jr., described as imperative "if Virginia's need for physicians in increasing numbers is to be met."

From the general fund, which is made up of the Commonwealth's general tax revenues, we have asked for \$10,867,155 for the next two years toward the maintenance and operation of both the College and Hospital divisions; this is an increase of \$3,278,497 over the current biennium, or approximately 33 per cent.

From our own resources—student tuition, revenues from hospital patients, et cetera, MCV will provide \$15,956,975 of its total maintenance and operation budget of \$26,824,130 for the biennium.

Capital outlay requests include \$4,825,300 for the College Division and \$1,245,000 for the Hospital Division.

The bulk of the increase in operating funds requested will go for personnel. In the College Division, the increase requested is for the employment of a nucleus of full-time faculty, particularly in the School of Medicine, and in the Hospital Division for filling vacancies and adding other sorely needed personnel for the desired level of patient care.

Proposed capital outlays include:

COLLEGE DIVISION

Medical Education Building—\$4,400,000 (to be supplemented with \$1,378,000 in federal funds). Site: North half of block between Eleventh and Twelfth streets, fronting on Marshall.

Purchase of property—\$300,000 (Richmond School Shop Building on North Twelfth Street, and City Juvenile Court Building).

Greenhouse—\$15,300.

Stone and masonry repairs—\$10,000.

Air conditioning stack room, Tompkins-McCaw Library—\$25,000.

Books for library—\$20,000.

Special technical dental equipment—\$34,000.

Instructional TV equipment for dental school—\$7,000.

HOSPITAL DIVISION

Equipment—\$100,000, including \$75,000 to replace obsolescent x-ray equipment.

Renovation of St. Philip Hospital—\$125,000.

Apartment building for married interns and residents—\$300,000.

Refrigeration alterations for main kitchen—\$32,000.

Renovation of Cabanis Hall—\$130,000.

Modernization of air conditioning on operating floor MCV Hospital—\$35,000.

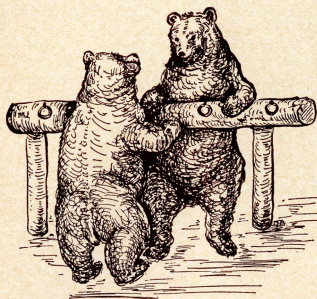

Air conditioning first and second floors, A. D. Williams Memorial Clinic—\$95,000.

Increasing capacity and modernizing central heating plant—\$353,000.

THE HITCHING POST

October seems to be a chosen month for weddings among the MCV family.

Mrs. Dorothy P. Shuman, secretary to the president, resigned October 1. She and Jerry Roberts, a Richmond lawyer, were married on October 10.

Miss Norma Higdon, research assistant in the department of biochemistry, and Robert W. Schanz, a 1956 graduate of our School of Pharmacy, were married recently.

Miss Louise Woodward, dietitian, and Lindley B. Hall, were married on October 10 at the Boulevard Methodist Church.

Miss Hannah Ryland, dietitian, and Julian D. Sanger, son of Chancellor Emeritus Sanger and Mrs. Sanger, will be married at the home of the bride on October 24.

Miss Frances Bowe and Thomas W. Blanton, Jr., were married at the home of the bride on August 28.

SHARING SORROW

Our sympathy is extended to MRS. RACHEL GARDNER in the death of her brother . . . MRS. CELESTINE GRAY in the death of her grandmother . . . DR. EDWARD C. PEPLE in the death of his father . . . MISS B. BELVIN ROLLINS in the death of her sister-in-law . . . MISS LOUISE WIEDMER in the death of her aunt.

Pace Resigns As Personnel Director Benjamin T. Cullen, Jr., Is Successor

It was with real regret that the resignation of Raymond B. Pace, Jr., as personnel director was accepted. Since he came to MCV in 1957, he has made friends among all of us and has merited the respect of the administration. He had the ability of dealing justly and wisely with personnel at all levels—a rare quality indeed. Benjamin T. Cullen, Jr., is our new personnel director. He is a graduate of VPI, a native Virginian, and has served in the Air Force. He received his master's degree in education from the University of Virginia. For five years, Mr. Cullen was a high school principal and he comes to us direct from the University of Virginia where he has been assistant personnel director.

We extend a hearty welcome to Mr. Cullen and a fond *au revoir* to Mr. Pace.

FACULTY NEWS

SCHOOL OF DENTISTRY

The Federation Dentaire Internationale met in New York city with the American Dental Association, September 14, and elected two Americans as members of honor. They were Dr. John Knutson, assistant surgeon general of the U. S. Public Health Service and chief of dental services, and our own DR. HARRY LYONS. Dean Lyons was also made a fellow in the American Academy of Periodontology, and has been appointed to represent dentistry on a special committee of consultants on medical research, established under the Appropriations Act providing funds for the U. S. Department of Health, Education, and Welfare . . . Members of the dental faculty participating in programs during the Centennial Celebration of the American Dental Association in New York were: DR. F. B. WIEBUSCH and DR. CHARLES VINCENT . . . Other activities of dental faculty members . . . DR. HOLMES T. KNIGHTON addressed an International Conference on Dental Research and Teaching in Boston . . . DR. GEORGE W. BURKE read a paper at the meeting of the American Academy of Periodontology in New York . . . DEAN HARRY LYONS addressed an International Conference on Dental Education, sponsored by the Federation Dentaire Internationale, which met concurrently with the American Dental Association . . . DR. S. ELMER BEAR is co-author of a recently published textbook on oral surgery. At the annual meeting of the American Society of Oral Surgeons, he presented a composite report covering the past five years of the Committee on Graduate Training . . . DR. J. M. ADAIR has been appointed to the faculty in the department of crown and bridge prosthodontics and operative dentistry.

SCHOOL OF HOSPITAL ADMINISTRATION

The theses of our June graduates have been bound and are now in the Tompkins-McCaw Library . . . DIRECTOR ROBERT HUDGENS has been busy making speeches around Virginia to women's clubs about MCV's need for the 2-million volt x-ray machine . . . MR. and MRS. CHARLES L. JORDAN, parents of MRS. FRANCES EWING, our secretary, and DR. THOMAS D. JORDAN of our faculty, celebrated their fiftieth wedding anniversary on September 16 . . . DIRECTOR HUDGENS and his son DR. ROBERT HUDGENS celebrated a mutual birthday on September 23, along with Doctor Bob's son, KENT, who has a September birthday. Present for the birthday celebration were the mothers of Director and Mrs. Hudgens, beaming great-grandmothers!

SCHOOL OF PHYSICAL THERAPY

We welcome two new instructors: MISS ELIZABETH FELLOWS and MISS SHIRLEY STOCKMEYER. They hold Master of Arts degrees in physical therapy from the University of California and from Stanford University respectively . . . ALFRED J. SZUMSKI is now on leave of absence to continue work toward his doctorate in physiology in MCV's School of Graduate Studies . . . MISS SUSANNE HIRT visited clinical training facilities at Mt. Alto VA Hospital and George Washington Hospital, Washington, and the Woodrow Wilson Rehabilitation Center at Fishersville, Virginia, last month.

SCHOOL OF NURSING

MRS. SUSAN GALLAGHER (associate degree program) spent a month traveling in Europe and while there attended the International Council on Rehabilitation for the Physical Therapists. . . We welcome these new faculty members: DR. WILLIAM B. GUTHRIE, assistant professor of English—PETER H. KUNKEL, assistant professor of sociology; DR. WILLIAM RHODENHISER, assistant professor of English; DR. JACOB SILVERBERG, assistant professor of psychology. The last three teach in the associate degree program.

SCHOOL OF MEDICINE

Anatomy.—DR. W. DUANE BELT and DR. WILLIE M. REAMS attended a conference on scientific instrumentation in Bethesda, Maryland, September 30 . . . DR. GEORGE W. BURKE was made a Fellow in the American College of Dentists at the September meeting in New York . . . DR. WILLIAM M. FEAGANS attended a *Conference on Theoretical Freezing and Studies of Tissues*, sponsored by the New York Academy of Sciences, in New York October 1-2 . . . the department is limping along without EDWARD L. DAVIS, who has been hospitalized; we have assurances he is on the way to recovery and will soon re-join us . . . We expect that the RCA engineers will complete installation of the electron microscope this month; this instrument was obtained through generous outside support and is a significant addition to facilities available for scientific research.

Biochemistry.—DR. JOHN C. FORBES gave a recent talk on *The Effect of Highspeed Centrifugation on the Distribution of Serum Lipids* at the Biochemistry Seminar of the Upstate Medical School of the State University of New York, Syracuse . . . DR. SIDNEY S. NEGUS attended the International Oceanographic Congress at United Nations and the American Chemical Society meeting in Atlantic City in September . . . DR. HARRY B. BRUIN'S CORNER

THE MONTH OF BROWN AND GOLD

OCTOBER is the brown and gold month—the gypsy month—the jewel month—the month when even those of us slowed down by the years long to slip on a pair of red shoes, the color of flaming maple leaves, and go dancing through the woodlands, listening to the rustle of fallen leaves beneath our feet.

OCTOBER is the month of the warm harvest moon that shines so softly on our window panes and beckons us to be up and away, tripping in her golden light to far away places, seeking . . . perhaps the gossamer of a dream . . . or to recapture a love once shared.

OCTOBER'S crisp, crackling days—her bright sun on the haystacks and pumpkins in the fields . . . red, brown, and gold leaves still clinging to a few trees as if loath to leave their sheltering limbs . . . make us long for winding country lanes and the leisure to wander along, enjoying the myriad colors and sounds of autumn days.

OCTOBER brings to mind poems learned in childhood such as "Come little leaves said the wind one day. Come over the meadows with me and play. Put on your dress of red and gold—summer is gone and the days grow cold."

OCTOBER . . . the jewel month of the year . . . the gold of the topaz . . . the red of the ruby . . . the soft morning dew glistening on blades of grass like millions of diamonds. Would that we might don her jewel colors and be up and away on the gypsy trail.—TVH

Reporters' Round Up

Cashier's Office.—This seemed to be a rather "traveling" summer for the cashier-business office vacationers . . . Mrs. LOUISE BRAND flew to Detroit and Canada . . . Miss MARY COOK divided her vacation and took several trips to Philadelphia, Atlantic City, New Jersey, and other scenic spots . . . Mrs. LILLIAN GILMAN had a wonderful month's vacation visiting Vir Mar Beach on the Chesapeake Bay and other places . . . Mrs. ALMA HOIT visited relatives in Baltimore and brought them back for a Richmond visit . . . Miss PATRICIA HUBBARD spent a week at Virginia Beach (It rained during the entire week!) . . . Mrs. RUTH MILLER visited her daughter and son-in-law, DOLLER and Mrs. P. G. Fox in North Carolina . . . Mrs. ALMA RYAN visited her nephew in Norfolk and also took a tour of historic Williamsburg . . . Mrs. LAURA SLADE GARZA and Miss SANDRA HART worked with us this summer. SANDY is now finishing her last year in school. We congratulate LAURA on her recent marriage and wish her luck in her housekeeping; we hope SANDY has a good school year . . . We are all very glad to know that Linda Belvin, daughter of Mrs. MILDRED BELVIN, is now back at home and feeling better after five weeks in MCV Hospital; we pray that she continues on the road to recovery.

Credit Office.—ROBERT T. TALTON was the last to take his vacation. He and Mrs. Talton visited in Louisville, Kentucky, and spent a few days at Virginia Beach . . . Mrs. CAROL MURPHY and Miss BEVERLY BROWN, typists, have resigned; in their places we have Miss MARGARET L. GARNETT and Miss MIRIAM CABANISS to whom we extend a cordial welcome . . . Kenneth Nielsen, son of Mrs. HELEVE NIELSEN, has returned to his classes at East Carolina College, Greenville, North Carolina, where he is a senior . . . Kenneth Witzgall, son of Mrs. LOUISE WITZGALL, has resumed his studies at Ohio State University, Columbus, Ohio, where he is a senior.

Dietary Department.—We welcome to our department Mrs. BETTY DAVIS and Miss SHIRLEY GIBBS, dietitians on patient food service; Miss JOYCE SMITH, dietitian in the cafeterias; and Mrs. CELESTINE GRAY, clerk typist.

Elevator Department.—We are glad to have with us Mr. Bullock, Mr. Nicholson, and Mr. Lavette . . . Welcome back to Mrs. PEARL HEWLETT, Mrs. MOZZELLE ROBERTSON, and Mrs. LOUISE HARRIS . . . A happy birthday to Mrs. ALICE WARD.

Housekeeping Department.—Mrs. RENA TAYLOR is back with us after a hospital stay . . . The housekeepers had a picnic in Bryan Park on August 15. Some of our retired housekeepers joined us and we had a wonderful get-together.

Memorial Hospital.—Many new faces have appeared in Memorial Hospital. First, we extend a warm welcome to our new administrative assistant, Miss EVELYN HEATH . . . Three new secretaries are welcomed: Mrs. AGNES JONES, Miss NANCY ENOCH, and Miss ROULA JONES. PHILIP JACKSON, physical therapist; Miss RUBY I. RHODES and Miss HAZEL ELLIOTT, staff occupational therapists; and WILLIAM MCCracken, oc-

cupational therapy supervisor, are also new to Memorial Hospital . . . Miss HELEN SALEEBA is the new receptionist in the Alcoholic Division . . . our new medical social worker is MRS. CORRINNE HEK . . . Miss GRACE MERCER is the new pre-school teacher of deaf children in the Hearing Center. We welcome all of these newcomers and hope they will be with us for a long time . . . Mrs. FAYE AUSTIN has retired to await the coming of a "bundle of joy" and we wish her every happiness . . . DR. HERBERT PARK attended the American Congress of Physical Medicine and Rehabilitation in Minneapolis August 30-September 4 . . . Miss EVELYN HEATH attended the annual meeting of the American Hospital Association, September 24-25 . . . Our best wishes to: DR. EBBE C. HOFF on the marriage of his daughter, Phoebe Mae, to Leigh Van Halen on September 19 in New York; to JOHN C. COLLISON on his election as president of the Virginia Museum Theatre Associates for the season 1959-60; and to Mrs. GLADYS B. ALLEN, who is now director of the occupational therapy department . . . Hearty congratulations to JOHN and CAROLYN SHEELS on their new addition, John Taylor, who arrived in September . . . Mrs. GLADYS B. ALLEN attended her class reunion in Ashland, Pennsylvania, the weekend of August 29 . . . Mrs. ELIZABETH PORTER took a wonderful trip this summer to England and Scotland for five weeks . . . Miss JUDY C. MOORE spent two wonderful weeks in Sarasota, Florida, during the summer . . . Mrs. MARILYN CSAKY and her husband spent two weeks in New York and Pennsylvania this summer visiting friends and relatives . . . S. JAMES CUTLER attended the convention of the American Instructors of the Deaf in Colorado Springs, Colorado, in the summer and then took his family on a vacation through the West and South.

Personnel Department.—We welcome Mrs. JEANNE LACY, clerk typist, replacing CLAUDETTE GOLDBER, who resigned to be married, and Mrs. JANE MITCHEM, clerk typist, from Mathews, Virginia, who replaces Miss JEAN TUCKER, transferred to the College Business Office . . . Miss JUANITA McDONALD enjoyed her vacation at her home in Berryville, Virginia.

Social Service Department.—ANNE RYLAND RICKS joined us September 15 as social worker on the psychiatric service . . . Miss B. BELVIN ROLLINS left September 10 for a vacation in Europe . . . We are glad to have two small donations to our depleted departmental fund during the past month and hope further contributions will be forthcoming to help us with the many needs of patients that cannot be met from other resources. *We should appreciate donations of layettes and clothing for children and adults to be used in emergency situations.*

Tompkins-McCaw Library.—Mrs. MARY EDMUNDS joined our staff on September 14 on a part-time basis, and Mrs. LOUISE MORTON is now on a full-time status . . . Miss JANET HOUCK vacationed in Cali, Colombia, South America, visiting Quito, Ecuador, and Panama . . . *We are receiving free through the National Institutes of Health the following Russian journals in English translation:* Pavlov Journal of Higher Nervous Activity—Sechenov Physiological Journal of the USSR—Bulletin of Experimental Biology and Medicine—Biochemistry—Problems of Hematology and Blood Transfusion—Problems of Virology—Journal of Microbiology, Epidemiology and Immunology.

Treasurer's Office.—We extend a hearty welcome to Mrs. BETTY THOMAS, clerk typist, replacing Mrs. BETTY PINCHESKY, who has resigned to devote full time to homemaking. Mrs. THOMAS will be with us while her husband is studying in the School of Medicine . . . We are sorry to lose Mrs. BARBARA HIERHOLZER but welcome as her replacement Mrs. BILLIE B. LILLY, who has been with us since January assisting Mr. Arthur Jaeger. . . The lovely red roses seen recently in our office were from thoughtful husbands on their wedding anniversaries to Mrs. ANNIE KRATZ and Mrs. HELEN PHILLIPS.

A. D. Williams Memorial Clinic.—Mrs. THELMA BOWERS, Miss ERNA BEHREND, and Miss DITA STEELE recently visited our former director, Carl R. Parrish, at his new home at Front Royal, Virginia. . . Our deepest sympathy to Mrs. EVELYN PACE in the death of her husband. Mrs. Pace is now recovering from an operation and we wish for her a speedy recovery . . . A hearty welcome to Mrs. LOUISE CHAFFIN, nurse, who transferred from the second floor; she replaces Mrs. ODESSA CARDOZA, who has resigned to await a visit from the stork . . . Mrs. THELMA BOWERS enjoyed a theatre train trip to New York. While there she saw *The Music Man* and toured the city . . . Glad to have Mrs. MAUDE BARLOW back with us after an illness . . . Sorry to lose Mrs. MARGUERITE CRANE, who has accepted a new position, but welcome Mrs. EMILY HIGGINS, her replacement . . . We hope Mrs. RUTH CROCKETT will be back with us soon following surgery in MCV Hospital.

BOOKS — BOOKS — BOOKS

Fall housecleaning time is at hand; so look through your books and bring them to MCV Hospital for our patients' library. Boxes are on every floor of MCV Hospital—your donations can be dropped in easily and conveniently. If you have a large gift of books, call 206 and talk with Mr. H. Allen Smith; he will make arrangements for pick up.

Miss Nora S. Hamner Honored

Miss Nora Spencer Hamner, a member of the College Board of Visitors and an alumna of our school of nursing, has been awarded the highest honor the Southern Tuberculosis Conference bestows. Miss Hamner has been executive director of the Richmond Tuberculosis Association for forty-one years.

W. W. Wendt, executive director of the Virginia state association, in presenting the Sixth Southern Tuberculosis Conference Award said that "Miss Hamner epitomized that brand of feminine courage and selfless devotion to an idea which has earned Southern womanhood honor and respect the nation over. She has spent her life battling for a tuberculosis-free Richmond. Her example has inspired us all."

Miss Elizabeth Gorsline Promoted

Miss Elizabeth Gorsline has been appointed confidential secretary to President R. Blackwell Smith, Jr., succeeding Mrs. Dorothy P. Shuman, who resigned October 1.

Miss Gorsline was secretary to Dr. William B. Porter, professor of medicine, from 1942 until illness incapacitated him three years ago; since that time Miss Gorsline had continued as secretary in the department of medicine.

« Bits of Wit and Wisdom »

A banker gave us his analysis of time: *Yesterday* is a cancelled check—*tomorrow* is a promissory note—*today* is ready cash; spend it wisely.

Efficiency Expert: A man who walks in his sleep so that he can get his rest and his exercise at the same time.

Then there was the drunk in Montreal who kept muttering, "It can't be done—it can't be done—it can't be done." He was looking at a big sign that read . . . "Drink Canada Dry."

People, like boats, toot the loudest when they are in a fog.

Faith is the bird that feels the light and sings when the dawn is still dark.—*Rabindranth Tagore.*

Did you ever notice how things seem to even up? For every woman who makes a fool out of a man there seems to be one that makes a man out of a fool.

A chip on the shoulder is about the heaviest load the body can carry.
