ROBERT W. MILLER, Bethesda, Maryland	
Diagnostic Ultrasonography	139
JOSEPH H. HOLMES, Denver, Colorado	

Continuing Education for What?	
GEORGE E. MILLER, Chicago, Illinois	152
Adrenergic Stimulation and Sodium Transport	
CHARLES O. WATLINGTON, Richmond, Virginia	157
Contributors to this Issue	163

---

1967 • NUMBER FOUR

*Symposium on Intracellular pH, PCO<sub>2</sub> and PO<sub>2</sub>*  
 ERNST G. HUF, Richmond, Virginia, *Guest Editor*

Introductory Remarks

JOHN L. PATTERSON, JR., Richmond, Virginia,  
*Chairman* 168

Oxygen Tension: Direct Observations on the Critical Level for the Brain

FRANS F. JÖBSIS, Durham, North Carolina 169

Discussion 182

Intracellular CO<sub>2</sub> Tension: Practice and Theory

EUGENE D. ROBIN, Pittsburgh, Pennsylvania 189

Discussion 194

Intracellular pH Determination by Means of pH Glass Microelectrodes

NORMAN W. CARTER, Dallas, Texas 197

Discussion 202

Contributors to this Issue 206
