

SWEEPING CHANGES HIT RPI IN SHAKEUP

April 1—In an unprecedented action and after hours of debate yesterday afternoon, the Virginia State Legislature approved an appropriation of ten-million dollars for the expansion of facilities at Richmond Professional Institute.

The funds, earmarked for the purchase of real estate holdings in the four blocks enclosed by Park Avenue, Grace Street, Laurel street and Harrison streets, the razing of many of the building now occupying those blocks, and the construction of buildings, out-of-door athletic, recreational and parking facilities, will be prorated over the next six years.

In signing the bill, Governor William M. Tuck said to the assembled officials of the College of William and Mary, and of Richmond Professional Institute, "This is the first step in the ten year program to consolidate the professional and liberal arts colleges of the state on one campus. When the Richmond campus is completed in 1955, the Norfolk Division will be moved and integrated with R.P.I. into a single unit. The pro-

vision of the bill to change the name of the college to Richmond Professional University anticipates this change."

University to leave W. & M. Dr. John E. Pomfret, President of the College of William and Mary, in an interview last night, stated that the bill provides for severance of the present connection of William and Mary with its extension, in 1955. Until then, the Richmond and Norfolk colleges will continue to be subject to administration from Williamsburg.

Dr. H. H. Hibbs, Dean of R.P.I. announced that Frank Lloyd Wright, the foremost modernist architect in the United States today, is now preparing detailed plans for the construction. Dr. Hibbs released to the paper, a sketch showing the proposed arrangement of buildings, on the four blocks to be occupied. "The present buildings, with the exception of the Chesterfield apartments, the large apartment buildings on Monroe Park, and the medical building at the corner of West Franklin and Harrison streets will be razed. Work on

this project has been contracted for, and will commence June 1st."

Summer School Cancelled for 1949

"Summer School," Dr. Hibbs continued, "will not be held in 1949. It may be possible to resume these sessions in 1950." Asked where classes will meet and students housed when the buildings at Franklin, Shaeffer and Park are razed, Dr. Hibbs stated that Women would be housed in the Chesterfield. Men will be moved to the medical building on Harrison street. "Low cost housing for faculty members and for married students, as well as for single graduate students, will be made available in Monroe Terrace. The other apartment building on Monroe Park will be used for classes. The city has kindly donated the facilities, of the Mosque for additional classroom space, and the auditorium of the building will be available during the day, although rent will have to be paid for its use at night."

Drama-Music To Share Auditorium

Under present plans, the new

University campus will give the Drama and Music departments separate buildings with a 2000 seat art building placed between them. The art building will be three stories high with a polarized plastic roof. This will provide optimum lighting for studios on the top floor.

An expanded Journalism department will include composing room with three linotype machines, a press room in the basement, editorial room, engraving room and Associate Press wire service.

The addition of courses in printing to the V.P.I. curriculum will staff the composing activities of the Proscript. "The expanded student body will make a daily paper entirely feasible," Richard E. Allen, head of the Journalism Department, stated in an interview last night. "The student activities fee will be used for the usual 40 per cent of income through circulation." George C. Johnson, Executive Secretary of the Richmond Retail Merchants Association has assured

the paper of full cooperation in the immediate expansion of display advertising, according to Mr. Allen. "This will probably make a newspaper of twelve pages possible, daily," Mr. Allen stated. "The paper will carry local, state and national news, and will be offered on the news stands in the city at the usual 5c per copy."

VPI To Handle State Publications

The new printing facilities for V.P.I. will enable the state to centralize all of its educational publications, and some for other departments, to be published on the Richmond Professional University campus. Departmental publications at the University will considerably expand. Plans are already under way for an anthology of short stories, drama and article material to be published annually by the English Department, including student contributions. Dr. J. M. Moore, Head of the English Department, told a Proscript reporter last night that he was considering the publication of another anthology which would include similar material by faculty members.

VOL. 25 RICHMOND, VIRGINIA, MARCH 30, 1949 NUMBER 25

SHAHER STREET TO BE BRIDGED, CITY DECIDES

R.P.I., March 18—The editorial efforts of the Proscript have proven to be a potent weapon.

Yesterday morning City Officials of Richmond held their annual meeting and voted 11 to 7 in favor of building a bridge on the corner of Shafer and Franklin Street. This project is considered quite a blow to the Diggers Union No. 001 because previous to the meeting, a contract had been signed with the Union to build a tunnel under Franklin Street to alleviate the hazards which the RPI students had had to face every day when crossing the street.

The new contract calls for a ten dollar bridge extending from the edge of the north campus and running directly across Shafer Street to the sidewalk. Bids were made and the Bluefield Bridge Co., of Bedford got the job. The project will begin April 2.

Various faculty members praised the City officials for the thoughtfulness and keen desire for the bridge to be completed before the end of the Spring up.

Slavenska To Teach Two Sections Modern Dance Here

Mia Slavenska, world famous ballet dancer, will stay in Richmond to teach two sections of Miss Florence English's modern dance class, it was learned today.

Miss Slavenska, who gave a recital at the Mosque last Saturday night, was so fascinated by the accomplishments of the class which she watched last week that she decided to stay over for two weeks and teach them her methods.

Although she is primarily a ballet dancer, Miss Slavenska said that she has taken modern dance for years and knows enough about it to teach it "rather well."

In an exclusive interview, Miss Slavenska said that she believes that modern dance is "here to stay. It is a beautiful form of

Announcement

On the first day of the fourth month things happen at RPI that don't take place at other times of the year. Some of these things are factually reported on pages 1 and 4 of this issue of the PROSCRIPT. To those who take such happenings too seriously, the staff tweaks an ear and whispers April Fool!

PULLY HEADS NEW BUREAU

In connection with the Sociology course in Marriage Relations at RPI a Marriage Counselling Bureau has been established by some members of the class.

President of the bureau is Bob Pully. Clyde Harrison is vice-president and other members of the bureau are Hank Maughman and Charlie Morgan.

The purpose of the counselling service is to give free advice to those who are engaged, married, or just plain hopeless.

"There are no set office hours, but if anyone who wants advice will contact us, we will bring it up before the board right away,"

(Continued on page 4)

FUTURE CLASSES TO BE OUTDOORS IN CITY PARKS

"No future classes will be held in the RPI classrooms" was the statement made by Dr. Margaret L. Johnson in a conference with faculty members this morning.

"Because of the delightful weather that we have been having the past week, it seems a shame that students be required to attend classes indoors."

"In the future, classes will be held in the municipal parks of this city. Transportation will be supplied by school officials and will be of no extra cost to the student."

"All morning classes will be held in BYRD PAK and all afternoon classes will meet in MONROE PARK. And for the first week, cuts because of misunderstanding as to where a specific class is to meet will not be counted."

There was no comment made by the faculty members attending the conference, but it is universally felt that the majority of students and professors alike will welcome the change from the stuffy classrooms.

SHARPENERS TO BE OVERHAULED

Mrs. Ethel Cottingham, Custodian of the Administration Building, announced today that considerable damage had been done to pencil sharpeners in the building during the past month, necessitating the withdrawal of sharpeners for major overhaul.

"The girls are at fault in this situation," Mrs. Cottingham said, "It has been the practice of the men to employ these devices for the removal of wood and graphite from pencils. However, the recent comment by a columnist in one of the state newspapers, emphasizing the use of a fine line of lipstick along the edge of the eyelid, has brought on the practice of sharpening lipsticks in the pencil sharpeners."

"Mrs. Cottingham announced that sand paper would be affixed to the walls of the Ad. building corridors for sharpening lipsticks, and urged that the college women cooperate in preventing further gumming-up of vital apparatus."

BONES JOINS BIOLOGY DEPT.

By FRANCIS GLOVER

The Dean's Office has announced that beginning April 1, 1949, there will be a new faculty member in the Biology department.

Miss Josephine Bones, who comes to RPI from Chicago, Ill., has had many years of experience in the field of Biology. Having graduated from Chicago Institute of Technology, Miss Bones has been connected with the Biology department at University of Chicago for the past ten years. Dr. I. Q. McGillicutty, Dean of Chicago University, writes Miss Bones is most capable in this particular field of science and is noted for her very worthy lectures concerning the bone structure of the human.

In addition, Dr. McGillicutty said that the students wholeheartedly approve of Miss Bones lectures due to the fact that she gets down to bare facts concerning the mechanics of the bones that support the human frame.

As Dr. McGillicutty put it, "she really lets her hair down at the first mention of bones and uses herself to demonstrate to the students at the university the fundamentals of bone movements and organization."

A letter from Miss Bones revealed that she was inspired to enter the field of Biology while she was working as a "bone packer" when she was connected

(Continued on page 4)

RULE CHANGE HURTS SEWELL

R.P.I., Mar. 24—A rule change in May Queen election procedure has hurt Bill Sewell's feelings terribly, he informed a Proscript reporter today. It seems that the R.P.I. handbook states that the President of the Student Government is automatically Maid of Honor to the Queen. But the May Day Committee, with the approval of SGA (of all bodies!) has ruled that the runner-up for Queen shall automatically be Maid of Honor. The loss to Sewell is material as well as spiritual, as he had already purchased his gown, and even had it altered!

SUMMER SCHOOL ENROLLS DRAGON SEEKING SOLUTION

A very unusual incident has occurred at RPI Yesterday, Dr. Theodore Moore head of the English Department and Director of the Summer School, greeted a very unusual visitor in his office. The visitor explained that she would like to enroll in the RPI Summer School for the summer 1949. Being his secretary and also a reporter on the Proscript staff, I took my handy little notebook and proceeded to take notes of this meeting. But perhaps I should explain more fully.

This visitor, although a female, was of a very unusual species. You see, she was a — dragon. This creature states her name to be Mrs. Grendel Jones and she said that she would like to enroll in the English Literature class, 201. After reviving Dr. Moore with glasses of water from the Dayroom, Mrs. Jones proceeded to explain her case. I took the following notes in a stupor.

Mrs. Jones had been thinking

(Continued on page 4)

PROSCRIPT TO PRINT DAILY

To start getting in the swing of publishing a daily paper next year, the journalism department will stay in RPI during the holidays and print daily bulletins to be sent to students who are taking advantage of the nine-day vacation.

Virginia Calisch, managing editor, said that the small editions will be mimeographed and will not exceed two pages. "This is just a warm-up session for the big job next year. We will fill it with feature stories, cuts, and any news we manage to scrape up around the school. We think students will be interested in knowing what goes on here when no one is around. It may get lonesome, but it'll be interesting," the editor said.

No charge will be made for the publication. Addressograph plates have been made so that every student and faculty member in the school will receive a copy of the bulletin.

Oscar Wilde's "Fan" Comes To Gym Stage

(THEATRE ASSOCIATES
RELEASE)

Tonight at 8:30 the houselights in the Gymnasium Playhouse will dim down, and the curtain will rise on the Theater Associates' production of Oscar Wilde's brilliant comedy, "Lady Windermere's Fan." Performances are also scheduled for tomorrow and Friday evenings.

The production, which promises to be one of the most colorful and elaborate of recent years, has been designed and directed by Mr. Robert Watkins, graduate student in drama, under the supervision of Mr. Raymond Hodges, head of the Department of Dramatic Art. Late Victorian costumes, with their sweeping and flowing trains and wasp waists, were designed by Miss Norma Jackson, while Mr. Franklin O. Davis has served as technical director, assisted by Miss Dorothy Henshaw and Mr. Earl Harford, who is also Master electrician. Miss Betty Magill is stage manager, and Miss Lola Mae Shiftett wardrobe mistress.

The large cast is headed by Miss Evelyn Randlette and Mr. Tyrone Morrow as Lady and Lord Windermere, and Miss Anne Hudson as Mrs. Eryllyn. Others who will be seen in the production include: Morris Law as Lord Augustus Lorton; John Massey as Lord Darlington; Vivian Trestma as the Duchess of Berwick; Robert Treser as Mr. Cecil Graham; Charles Cagle as Mr. Dumby; Doris Lea Williams as Lady Plymdale; Golden Lester as Lady Agathe Carlisle; Wamer Callahan as Mr. Hopper; Serene Smith as Lady Jedburgh; Ruth Printup as Lady Stutfield; Mary Ellen Bechtol as Mrs. Cowper-cowper; Arthur Green as Parker; Norma White as Rosalie; Phyllis Rubin as Lady Paisley; Charlotte Pilley as Mrs. Arthur Bowden; Conner Powell as Miss Graham; Caroline Phelps as Mrs. Guy Berkeley; James Enderly as Sir James Royston; and Rodj Rogers as Mr. Rufford.

A few tickets are still available for the performances, and may be obtained at the SGA office between 11 and 2, at a special student price of fifty cents. A few also may be available at the door of the Playhouse, the box office opening at 7:15.

EVENING SCHOOL IS CONSIDERED BY BUS. DEPT.

The School of Business is considering the establishment of an evening division, according to I. John Krepick, Chairman of the School of Business. The fulfillment of the plan depends on the interest shown by the student body.

A survey will be taken to determine the number of students who would be interested in such a plan. Students may also suggest names of outsiders who would be interested in entering the evening business school.

Lee Speaks At RPI

Mr. Bob Lee, of Randolph-Macon College, was guest speaker at a meeting of the RPI Wesleyan Foundation, held Tuesday night, March 22, and chose as his topic, "Love Or Else".

The talk was preceded by a movie titled "Boundary Lines"

FRATERNITIES BANNED AT RPI IN NEW ORDER

From the Richmond News-Leader
Students at the Richmond Professional Institute have been forbidden to join any Greek letter fraternity.

The school announced today that a resolution banning fraternities was passed on recommendation of Dean H. H. Hibbs, Dr. Margaret Johnson, counselor women students, and I. John Krepick, counselor of men students.

"There has never been any real demand for fraternities at RPI as far as boarding students are concerned," Dr. Johnson and Krepick said in a statement.

Dean Hibbs explained that although the fraternities already were outlawed at the school, the board of visitors decided to issue a stronger ruling on the issue.

He said the new ruling emphasized that RPI forbids its students from actively belonging to any Greek letter fraternity, whether the fraternity has a chapter on the campus or not.

Statement Issued

The statement explained that: "Last Fall Pi Phi, a national nonacademic fraternity, authorized a chapter in Richmond made up almost entirely of students in RPI. The organizers of this fraternity stated that in spite of the preponderance of RPI students in its membership that the local chapter was not an RPI group. The board of visitors thereupon passed the wider prohibition which not only forbids the Greek letter fraternities in RPI but also forbids RPI students from being active in such fraternities."

None Believed Active

"On a recent visit to Richmond, Bobbie M. Lake, grand president, and Roland T. Putnam grand treasurer, agreed to confine the chapter of their fraternity exclusively to persons who are not students in RPI and all RPI students in the fraternity have resigned their offices and will become inactive in the fraternity if they return to RPI next Fall."

Dean Hibbs explained that as far as he knew there never have been any fraternities legally active on the RPI campus.

He pointed out that the lack of fraternities "appears to be due to the system of housing college students."

New SGA Constitution Now Completed

The first draft of the new Student Government Association constitution has been completed and will be presented to the SGA meeting tonight to be read and revised. Copies of the constitution will be submitted to Dr. H. H. Hibbs, Dean; Dr. Margaret L. Johnson and Mr. I. John Krepick for approval. After the Spring vacation the document will undergo a final revision, William G. Sewell, SGA president said.

The constitution was written by Ed Kelley, Baxter Duffy and Marj Davie, who spent nearly two months in the preparation.

CANTERBURY CLUB TO MEET TONIGHT

RPI, Mar. 30—A meeting of the Canterbury Club has been called for tonight, in Ad 5 at 7:30, according to Sands Smith, vice-president. Final plans for the forum to be held at Roslyn this week-end will be the main business.

EVELYN RANDLETTE

STUDENT BODY TO DETERMINE MAY DAY QUEEN

RPI, March 24th—A change in the May Day Queen election plans was announced today by the May Day committee. The Senior class, in conjunction with the committee, approved the plan that five senior women would be the nominees for queen, whereupon the entire student body would determine the final result.

The elections will be held on March 30 and 31. Photographs of the nominees will be placed throughout the school. Ballot boxes will be situated according to the S.G.A. precinct plan. Votes may be cast in the boxes in the V.P.I., Art, and Music buildings, plus the Studio theater and the S.G.A. office.

Betty Byrd, Jacqueline Gaines, Betty Ann Farmer, Anne Smith, and Sue Grosner will be the candidates of the Senior class. The position of Maid of Honor will automatically fall to the runner-up in the elections.

The class representatives are as follows: Freshman, Diane Ricks and Ida Ponton; Sophomore, Catherine Marlowe and Teenie Stevens; Junior, Emily Sharp and Ann Beasley.

CONVOCATION WILL BE MAY 6

RPI, March 24—The May Day week-end will commence with a convocation on Friday morning, May 6, at 10:00 a. m., according to Edward Kelley, committee chairman. The decision was reached at the meeting on March 23, pending the approval of the SGA.

"Honor keys will be awarded, along with the installations of the officers of both the newly-elected SGA and the house councils during the convocation," Mr. Kelley said.

and both the film and the message stressed the fact that men must learn to live together or they will annihilate each other.

In his talk, the speaker brought out the fact that the culture of civilization has been advanced by all races and peoples cooperating, and not by one race or nation alone.

Holiday Starts April 2nd Classes Resume April 11

RUTH NENZEL SELECTED IN "PRINCESS" VOTE

Miss Ruth Traylor Nenzel, a Fine Arts senior, has been chosen as a princess to the Court of Queen Shenandoah XXII by a vote of the Student Government Association to represent RPI at the Apple Blossom festival in Winchester April 28 and 29. Miss Nenzel was selected March 23 from seven candidates submitted by the Executive Board of the Senior Class.

Festival regulations require schools sending representatives to submit the name and a photograph of an "unmarried representative of the May Queen type."

Miss Nenzel is 20 years old, five feet and a half inches tall, has brown hair and grey eyes. She attended high school at Thomas Jefferson. From September 1945 to June 1947 she attended the College of William and Mary. At W&M she was Freshman representative to the Executive Council of the Women's Student Government. In 1946 she received the Chancellor scholarship and the Mortar Board scholarship in 1947.

At RPI Miss Nenzel is a member of the Cotillion Club and the Fine Arts Group.

Make-Up Rule Changes Made

Students wishing to make-up tests on Friday afternoon should apply to Dr. Margaret L. Johnson or Miss Juliet Woodson on Wednesday of the same week before 2 p. m., according to a statement from Miss Woodson, secretary of the Absence Committee.

The student will be given a slip to take to the professor who will make out the test. Duplicate slips will also be sent to the student proctor.

WANTED: Four inches of any story to fill this space. Anyone with anything filling these qualifications, please bring them to Virginia Calisch in Ad. M. immediately.

Charles M. Hendrick

The Chuck Wagon

How would you like to save 15 cents out of every dollar you spend? Or \$15 out of every hundred that you fork over for that new refrigerator, radio, and gas stove?

Impossible you say, well I'll argue with you on that score. Right here in Richmond, a merchandising cooperative has been formed which will do just that.

When you join you are guaranteed at least 15 per cent discount on anything you buy through the Home Cooperative. That's the minimum savings you can realize; the maximum is varied, but may go as high as 40 per cent. All it costs you to join this outfit, is \$2.00, and for that two dollars you get a share of stock in the cooperative, because you as consumer and customer of the cooperative will own and direct it.

Take for instance if you wanted to buy a watch, (or an electric iron, toaster, washer, etc.) you choose what kind of watch you want, any name brand or otherwise, and assuming that

Spring vacation for all RPI students and faculty members will begin officially on Saturday, April 2, when the last class is over, according to an announcement from Dr. Margaret L. Johnson, Registrar. Classes will resume at 8 a. m. on April 11. This gives students two week-ends free.

Dr. Margaret L. Johnson, registrar, warned students that the cut system installed with the Thanksgiving vacation is still in effect. No double cuts will be given. The two days before and after the vacation are designated as no-cut days. A fine of \$5.00 will be imposed for each day missed unless a doctor's certificate is tendered by the student.

The dining hall will not remain open during the vacation period said Dr. Johnson. One dormitory, Founders Hall, at 827 W. Franklin street, will be occupied by students who do not find it convenient to leave the city. About twelve girls are expected to remain here because of jobs and other obligations.

SUMMER SCHOOL STARTS JUNE 22; ENDS AUGUST 24

The nine-week Summer session of RPI will start June 22 and will continue through Aug. 24, according to Dr. Theodore M. Moore, director of the Summer School. Twenty-three courses, two institutes in Social Work, and two workshops will be offered.

School of Social Work Institutes will be given from June 20 to July 1 and from July 5 to July 15. A workshop in Art Education will be given from June 13 to June 24 and one in Audio-Visual Education from June 20 to July 1. Courses offered are advertising, art, business administration, chemistry, commercial art, crafts, economics, education, engineering, English, French, German, history, journalism, mathematics, music, physical education, psychology, recreational leadership, social work, sociology, Spanish, and statistics.

These are undergraduate courses leading to the Bachelor's (Continued on page 3)

the watch would cost you \$75 at any ordinary jewelry store, you would get the identical watch for \$63.75 or possibly less. There's no argument to present against that kind of saving. Or maybe you want a radio! It is possible to buy a name brand radio, or television set for as much as 40 per cent less, than you could purchase it anywhere else in town.

In addition you will receive at the end of each year, a purchase refund based upon the earnings of the cooperative during the year. Add it all up and it's a good deal any way you look at it.

So whether you're planning to buy anything immediately or not, it will be worth your while to look into this organization. The office and display rooms, (combined to cut costs), are located at Third and Broad streets, in the First Federal Savings building, room 207. They're open each day from 9 a. m. to 6 p. m., including Saturday. As far as I'm concerned I'm all for any deal that will save money for me!

COORDINATE VACATIONS

RPI Spring vacation starts Saturday. Spring vacation at North Carolina Women's College started last week. A majority of the other colleges will have their vacations next week. This system makes for disunity and disappointments.

Is there not some way in which vacations could be coordinated? Perhaps a Federal Bureau of College Vacations could be established, but this seems to be rather much trouble for the amount of people it would serve. Perhaps state bureaus could be established to coordinate the colleges of each state. But that will not adequately solve the problem.

Thanksgiving, Christmas, Easter... these are the three holidays which everyone expects. The first two are given by most colleges at the same time. It is the third that is not coordinated. Some colleges have vacation before Easter; some give it during Easter week. This system plays a hardship on the student.

We go home and find our friends still at school elsewhere. When we come back to school, they are going home. It is also disorganized financially, as we return home at the end of the week to attend Easter services with our families. This calls for an unnecessary duplication of train or bus fares.

Furthermore, when there are two members of the family at different schools, they are likely to be at home at separate times, causing more confusion. Tied in with the family life is the fact that many RPI students have younger brothers or sisters who are still in high school and who get their vacation during Easter week.

Having a Spring vacation seems rather pointless if it is not given during Easter week. A vacation from study is a thing to be desired, but couldn't it be delayed a week to coincide with Easter and with vacations from other schools?

—N. C.

GOOD FRIDAY CUTS

All students who desire to be absent Good Friday in order to attend church services may do so by obtaining advance permission from Dr. Johnson, it was announced today.

We're

Weary

Mid-Semesters Out By April 18 - Wood

Mid-semester grades will be out probably by April 18, Ann E. Wood, assistant registrar, said recently. Grades are due in the Registrar's office by April 1, she said.

Mrs. Wood remarked that grades this year seem to coincide with holidays. "Fall mid-semesters went out at Thanksgiving, February finals went out on Valentine's Day. And now Spring mid-semesters will go out at Easter."

No grades will be given out at the Registrar's office, Mrs. Wood said. Applications for degrees should be in to the office by April 15.

Devils Launch Campaign Friday

Girls Varsity Softball Team Meets April 11

Spring sports for women, softball and tennis, will begin April 11.

This is the first year that R.P.I. has undertaken the organization of a womens varsity softball. Miss Florence English will coach and would like everyone interested to meet in the gym at 4 p. m. on April 11. Invitations have been sent to William and Mary College and several other schools but as yet no schedule has been arranged.

Girls interested in playing tennis should give their names to Miss Frances Chapman who will make out a Round Robin. Participation in this sport will be on an individual basis rather than an intra-mural one. The tournament will be played on the courts at Byrd Park.

Foundation Hears Rev. W. Kitchen

Several members of the Wesley Foundation attended a student conference in Charlottesville on March 20.

The principal speaker at the conference was Rev. Wilmer Kitchen, who is executive secretary of the W.S.S.F.

Rev. Mr. Kitchen, who has recently returned from a tour of Europe and Asia, told many interesting and informative stories of the adverse conditions of students in those countries. He stressed the fact that these students must be helped if the coming generations of Europe and Asia are to be educated and helpful citizens of the world.

Reesemen To Meet Lee 9 In '49 Debut

R.P.I., March 30—The Green Devils will usher in the '49 baseball season Friday afternoon at 2:30 on McGuire's Field when they play host to the Camp Lee Travelers.

The Reesemen wind up three weeks of pre-season grind with a light practice tomorrow. Tomorrow's session will be devoted to work on signals and play situations. The Camp Lee affair marks the only appearance for the Devils prior to the spring holiday. Sixteen games are intact for the locals after the vacation with several other contests pending.

Coach Reese is undecided on the starting pitcher for the Green Devils' debut. The young pitcher mentioned Bill Johnson as a possible choice. Coach Reese was impressed with the righthanders' showing in Wednesday's intrasquad game. Just who will get the starting nod depends on practice this week. Oliver, Kritezer, and Tinsley are strong contenders for the starting assignment. The probable line-up and batting order for the Green Devils will be: Canada 1b, Fisher 3b, Harding cf, Washer lf, Birkhead or Heath 2b, Moughamian ss, Hardy or Overton rf, and Waters c.

Coach Reese will cut the 40 man squad in half this afternoon. The 20 survivors will include 3 catchers, 7 infielders, 4 pitchers, and 6 outfielders.

Greenies Stop Golds Bid For Revenge 9 to 0

R.P.I., March 24—The Greenies united behind three hit pitching of Johnson and Feaster to blank their Gold squadmates 9 to 0 this afternoon on McGuire's Field. It was the Greenies' second intrasquad victory.

Johnson put a damper on the Golds' bid for revenge by letting up but one safety in four innings. Feaster worked the last two frames and insured the white-washing with a 2 hit performance.

The Greenies bunched three hits, two walks and a sacrifice to produce five runs in the second inning. Except for the second inning explosion, Oliver kept the Green batsmen in check during his four inning stretch. The Greenies chased four more runs home in the fifth on four hits and a pair of walks-off McCaffrey. Abrahamian, Davis and Guild were the only Gold batsmen able to nick the pitching of the Green hurlers.

Wesley club—Carolyn Penderston, Elaine Clark, Jane Isoshima, Betty Craig, Betty Jane Bolan, Diane Garner, Walter Bowles and Eugenia Draper attended a Methodist Student Conference at William and Mary College, Williamsburg, Va., on March 26 and 27th.

Letters Will Be Awarded To DevilCagemen

RPI, March 30—The Men's Athletic Association will meet tomorrow at one o'clock in the front library. Letters will be awarded to members of the varsity basketball team.

The Faculty Athletic Committee has set up the standards for awarding the letters. Basketball participants must play in half the quarters and must finish the season unless injured or due to sickness.

The presentation of letters to the following men have been approved by the committee: Stan Guild, Hank Moughamian, Joe Dollard, Artis Mills, Jim Fisher, Norman Washer, Sam Grainger, and Carl Bandoian, manager.

All men at school are urged to attend this meeting, said Louie Aprahamian, president.

Soph.Elections Coming Soon

R.P.I., March 30—Sophomore class members were reminded of the approaching nominations and elections of class officers in an expedited meeting of the class last week.

Nominations on an individual or party ticket basis will be in the form of petition carrying 12 signatures. They will be accepted by class president Edward W. Kelly until the last of April.

Elections will be held the second week of May. The newly elected officers will take office at the meeting following the elections. The nominations and elections will follow regulations outlined by S.G.A.

Other business on the agenda consisted of a report by Baxter Duffy on the expenditure of funds for the recent outing, the election of "Teenie" Stevens to represent the class in the May Court, and the announcement of the cost of May Court attendants' flowers.

SUMMER SCHOOL

Soccer Squad Has Rally For Sendoff At 8

The Green Devil soccer team will get a royal sendoff tonight to participate in American Collegiate Soccer Tournament to be held in the Polo Grounds in New York. A pep rally-bonfire has been planned by the Men's Athletic Association for 8 to 12 tonight at the school stadium in Monroe Park.

The Southern Conference champions will leave Broad Street station at 1 a. m. and arrive in New York at 6. Light drills will be held tomorrow afternoon for their opening game with Peekaboo College. The I. C. U. eleven are champions of the Upland Conference.

The rally tonight will feature several skits by the Freshman class, a prelude for the Freshman Frolics to be held next month in the school gym. Hal E. Tosig, star leftout for the team will make the departing speech thanking those who stayed away to help make it a successful evening.

Refreshments will be served by the La Clippo Club. All members are urged to show up at seven to help water the punch.

ENROLL DRAGON

[Continued from page 1]

for thousands of years how to gain her revenge on the death of her son, Grendel, Jr. She had

read the Tale of Beowulf but when it came to the part where her son was killed, the pages were torn out. She knew from the ending pages that he was dead, but she did not know how he was killed. She wanted to take this course, because she knew that at last she would be able to figure out how her son was killed, and thereby gain her revenge.

She had not been able to figure out how to kill "dis here guy Beowulf" because she had heard that he was a pretty tough guy. Dr. Moore, after careful consideration told Mrs. Jones that it would be quite impossible to enroll her under the circumstances. However he stated, "If you will promise me that you will do nothing that will harm Beowulf and just let bygones be bygones I will let you enroll." Mrs. Jones pleaded with Dr. Moore, but to no avail. She thrashed her tail upon the floor, foamed at the mouth and turned a terrible color green. But Dr. Moore did not change his mind. With one last desperate attempt she blew fire which resulted in the Richmond Fire Department having to use all two fire trucks to help save the hallowed halls of R.P.I.

As Dr. Moore and I stood and looked at the remains of the old Ad Building Mrs. Grendel Jones came up to us with tears in her eyes and consented to enroll with the promise of not harming Beowulf.

But if I were you, students, I wouldn't believe her. So if anybody sees Beowulf would you please warn him?

BONES JOINS

with the Armour Meat Packing Co., of Chicago.

She also made it known that her office will be located in Ad. K, and office hours for student consultation will be held from 9 p. m. until 7 a. m. She warns every student wishing to converse with her to bring along his imagination.

SHAHER STREET

(Continued from page 1)

cation in order to stop tardiness which has resulted from the time spent by the students in crossing the street. Student reaction has not been expressed.

The irony of the whole situation is that the editorials only asked for a traffic light and now they get a bridge.

stated President Pully. He went on to say that no charge will be made for the service. "We are doing this only in the interest of science and the advancement of public welfare," he concluded.

It is rumored that the vice-president of the bureau is now conducting a poll at RPI, similar to the one made not long ago by another distinguished scientist in this field.
