## King, Critzer Top Beauty Contestants

By Jim Lawler

Two RPI coeds were named to positions of royalty at the House of Representatives meeting last week. Alice King, a 22-year-old senior Interior Design major from Portsmouth, was named May Queen and Shirley Critzer, a 20-year-old Business Education major from Waynesboro, was named RPI's representative to the 36th annual Apple Blossom Festival in Winchester.

Alice was elected May Queen by student vote at spring semester registration. She was elected over four other candidates in the two-day balloting, which tallied over 1,200 votes. Barbara Jenks, a 21-year-old junior Commercial Art major from Berryville, received the second highest number of votes and was named Maid of Honor.

Three other Senior class girls who submitted petitions to the Board of Elections committee were Susan Plemmons, a Distribution major; Susan Woolf, an Occupational Therapy major and Dee Dee Bishop, a Fashion Illustration major.

Alice said she found it difficult to express her obvious happiness at receiving the title. "I feel honored that the students selected me as May Queen. I'm just really happy about it," she said.

This is the second year in which Alice has taken part in the May festivities. Last year she was Junior class sweetheart in the May Court.

She also has served as features editor on the Cobblestone staff and corresponding secretary of the student chapter of the American Institute of Interior Designers.

Alice said her plans after graduation are indefinite. She hopes to become a decorator. "I have received two job offers in Norfolk, but haven't decided to accept either of them," she said.

One of the new queen's favorite extra-curricular activities is modeling. Alice has modeled for some of the leading department stores in Richmond and in her home-town area. "I enjoy this very much, but don't intend to pursue it as a career," she said.

Shirley was selected as the school's representative to the Apple Blossom Festival by the executive officers of the Student Government Association, Dean Roach, Dean Gladding and Dean Johnston, and last year's representative, Barbara Jenks. She was chosen from the 10 candidates who had been nominated by a special committee of the SGA.

The committee to nominate candidates for Apple Blossom representative submitted 10 names to the House of Representatives. They were Dee Dee Bishop, Susan Woolf, Irene Siegle, a junior Costume Design major; Rita Mayhugh, Helen Mitchell, a junior Commercial Art major, and Rose Marie Shields, a junior Business major.

Also, Alice King, Jane Whitfield, a junior Art Education major; and Jeannie Morrison, a senior Sociology major.

When told by Dean Johnston at 5 p.m. Wednesday that she had been selected to be Apple Blossom representative, Shirley wanted to tell her friends the good news. Dean Johnston, however, asked her to remain mute until the decision was announced

## School Vocalist To Sing On T. V.

A voice student in the School of Music will make her debut on national television this month. Dorcas Campbell, who is from Rockbridge, will appear on the Firestone Hour February 24.

The path which led Dorcas to this TV appearance is closely related to her work in the 4-H Club. As a high school student she received several state awards in recreation and rural arts fields. Dorcas appeared last November as one of two featured soloists at a concert for the 41st national 4-H Club Congress.

## Instructor To Perform At Museum

By Bo Brown

*Ed. Note: The following is the third in a series of stories dealing with the accomplishments of RPI faculty members.*

Dr. W. Laird Kleine-Ahlbrandt, a professor in the History department at RPI, has been cast in the male lead of the next Virginia Museum Theater production, "The Woman of Colchis" by Percival Roniers.

Dr. Kleine-Ahlbrandt will play Jason, opposite Jody Talford, wife of the play's director, Bob Talford. Jason, Dr. Kleine-Ahlbrandt "a grown-up adolescent or the fraternity boy of ancient Greece," he continued, "Jason becomes a schizophrenic, and later is overcome by the feeling that everyone hates him."

Although this is Dr. Kleine-Ahlbrandt's first theater performance in the Richmond area, he has a considerable amount of experience.

He worked with a group of college players weekly who read

(Continued on Page 2)

Arthur Fiedler, director of the Boston Pops and guest conductor of the Chicago symphony for this 4-H concert, was greatly impressed with the voice of the 23-year-old soprano. He recommended her for the program on which the sponsor will salute National 4-H Club Week. She'll sing "Musetta's Waltz" from Puccini's "La Boheme."

The director of the school of music and also Dorcas's voice teacher, Mr. L. Wayne Batty, expressed utmost confidence in Dorcas's singing ability.

Dorcas will be featured on a program that includes a host of well-known world personalities. These music "greats" include Metropolitan Opera soprano Gabriella Tucci, tenor Daniele Gaborini and concert violinist Mischa Elman. Harry John Brown, conductor of the Milwaukee Symphony, will direct the orchestra.

Dorcas has done work in summer stock as an equity player. She has sung in many well-known Broadway musicals in summer stock presentations.

These musicals starred such celebrities as Celeste Holmes in "The King and I," Margaret Whiting in "Gypsy," and Gypsy Rose Lee in "Auntie Mame," to mention a few.

As for future plans, Dorcas definitely wants to be a singer, however, she hasn't decided if she will devote her efforts to musical comedy or the concert stage.

## Charlie Byrd, Jazz Leader, To Play Here

The Charlie Byrd Trio has been scheduled by the Student Activities Committee for a March concert.

The Charles Byrd Trio, one of America's most highly regarded jazz groups, will appear March 1 in the Gym and the Dorian Quintet will offer contemporary and classic music on March 16 in the Gym.

Byrd is best known for his skill at playing jazz on an unamplified concert guitar, finger-style (no pick). The Trio, consisting of Byrd, guitarist; Keter Betts, bass and Bertell Knox, drums, will play from a wide repertoire including jazz and classical music. Byrd has made a number of albums, both classical and jazz.

## Folk Sing Opens Dance Week End

By Linda Murphy

A free concert of folk songs has been scheduled for tomorrow afternoon at 1:30 in the Shafer Street Playhouse as an added attraction for Mid-Winters Week End.

Mid-Winters, one of the annual "big three" week ends, will be kicked off tonight by the sophomores, who are holding a sock hop at 8 p.m. in the cafeteria.

The highlight of the week end is the formal dance at 9 p.m. tomorrow in the ballroom of the Mosque. The Junior class is in charge of all arrangements for the dance.

John Basset, a Negro student at Virginia Union University

has been contracted to sing for the folk song concert tomorrow afternoon. Also on the program will be Rita Dominco, a sophomore day student here majoring in Fine Arts. Both singers appeared at the folk singing festival held last week in the Gymnasium for the scholarship drive.

The concert will last from 1:30 until 3:30 p.m. Admission will be granted only to those showing their Dance Club cards or their tickets to the Mid-winters Dance. Tickets to the dance will be sold at the door of the concert at \$4 per couple.

Dance Club cards, which will be good for the dance tomorrow night and the May Dance also, may be purchased for \$5. This is a reduction from the original price of \$6 plus class dues and does not necessitate the payment of class dues.

Out-of-town guests must have bids to enter the dance. These may be picked up this week in the Rotunda.

A five-piece combo, The Comets, will provide the music for the sock hop sponsored by the Sophomore class from 8 p.m. until 12 midnight in the cafeteria.

Admission will be 50 cents stag and 75 cents drag. Proceeds will go to benefit the SGA Scholarship fund.

## Cure for the Slump

February, the traditional "slump" month, is not made much brighter for students by the fact that two sons of America have birthdays during its short four weeks, but those who feel that February is the "winter of their discontent" can take heart by taking advantage of the several cultural facilities available now.

Following the superb movie *Richard III* at the Lee theater will be a special series of films including *Hamlet* which will be shown February 21-27 and two ballets, the Bolshoi and the Royal Ballet, which will be shown February 14-20 and February 28-March 6.

At the Virginia Museum on February 23, Edward Albee will speak as part of the Museum's program for the annual drama festival. Albee is an especially prominent member of a group of young avant-garde playwrights who have come of age within the last decade.

Another Museum offering is "The Woman of Colchis" in which Dr. Kleine-Ahlbrandt plays Jason, the male lead. (See story page 1).

RPI's own cultural activities include two free concerts scheduled for March. They will be given by the renowned Dorian Quintet and by the Charlie Byrd Trio. Continuing through April 26, the RPI Film Society will show its movies bi-weekly on Fridays.

A government official will be in this vicinity in February. Dr. Ralph Bunche, undersecretary of the United Nations, will speak February 23 at the Mosque.

Both cultural and didactic, these varied programs offer RPI and community a chance to improve and enjoy themselves.

## Drama Festival Set for Feb. 23; Museum Will Feature Albee

Members of the RPI Department of Dramatic Art will attend the sixth annual Virginia College Drama Festival at the Virginia Museum of Fine Arts February 23.

Nine colleges are invited each year to participate in the Festival. This year RPI will not take part, explained Mr. Raymond Hodges, head of the Drama department,

because participating colleges are selected on a rotating plan, but RPI has taken part five of the six years the Festival has been held. "Two of these times we were asked at the last minute to fill in for another college which couldn't make it," said Mr. Hodges.

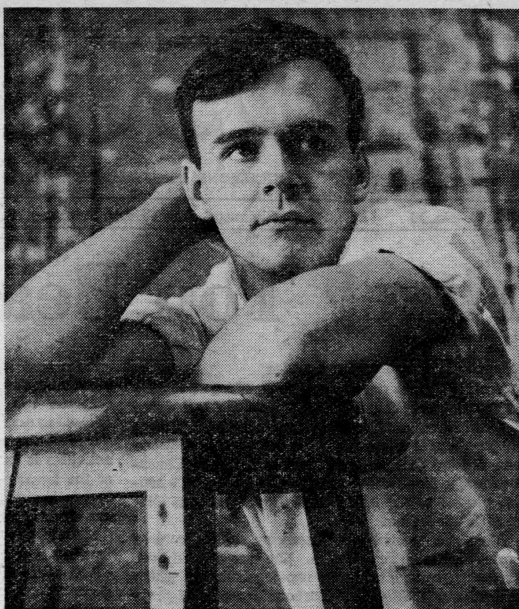

The stage version of "Oaks of Mamre" by James D. Pendleton, assistant professor of English here, will be presented by Bridgewater College as a part of the Festival.

Robert Lewis, a New York critic, will attend the Festival to view and comment on the plays. Edward Albee, whose play, "Who's Afraid of Virginia Woolf," is currently playing on Broadway, will also speak.

### ID Students Attend AID Dinner Meeting

Members of the Interior Design department attended the Association of Interior Decorators meeting February 4 at the Mark Monroe motel.

Mr. William L. Joel, decorator at the Richmond Art co., spoke on decorative accessories. Also, a tentative trip to New York City was discussed.

**UNFINISHED PAINTING**—Tom Waters, a graduate student in Fine Arts, has sold a painting, "Black Flower," to the Virginia Museum of Fine Arts for \$400. Waters, a 1961 graduate, has won the Virginia Museum's Student Fellowship Award twice while an undergraduate student here. About the recent painting, Waters said, "I don't feel that the painting is complete and would like to get in there with brushes and paint to finish it up."

at the House meeting at 6 p.m.

"I was so happy that I had to take a walk off-campus to keep from telling everyone that I had been selected," Shirley said.

Shirley said she was looking forward to attending the Festival and participating as a princess in the court of Queen Shenandoah.

### She Loves Apples

"Any girl would be honored to participate in this colorful festival. It will be quite an experience for me, and I'll come back and tell everyone about it." She teasingly added that she loved apples, especially apple sauce.

Shirley was Sophomore class Sweetheart last year and has served on the Freshman Advisory Board and the Rat Court. She also was secretary of the Sophomore class, vice president of her dormitory and Freshman representative on House Council.

Shirley was awarded a scholarship by the Business and Professional Women's Club of Waynesboro for her first two years at RPI. "After graduation, I plan to teach business subjects in a high school," she said.

### New Procedure for Change of Address

A new procedure now makes it possible for students who have changed their addresses to have the changes recorded by college administrators simply by filling out an official form.

Change of address must be recorded by the Registrar, Student Personnel office, Business office, school or department and Veterans' Administration. Originally, the student had to record the change at each place.

Official forms may be obtained from the Registrar or Student Personnel office.

## Day Enrollees Top Evening

Approximately 4,110 students are attending RPI this semester. Of this number, some 2,135 are attending classes during the day, announced Mrs. Ethel B. Riebe, registrar, and 1,975 are enrolled in evening classes, according to Mr. Melvin E. Fuller, director of the Evening College.

In the Evening College, approximately one-third of the persons enrolled are in the School of Business. Other departments with large attendances are Psychology, Art, Sociology, and Liberal Arts. General Art History and Modern History of Art are the two largest classes.

Among the new classes for the Evening College spring semester are International Business Machines, Methods of Teaching in Secondary Schools, a study of the poems and prose of John Milton, a geography class, elementary Italian and a course in writing poetry.

The Evening College figure represents an increase of 50 students compared with the number enrolled in spring semester classes last year.

A departmental breakdown on the day college was not available.

### Hillel Service Tonight

The Hillel Club will hold its annual Collegiate Interfaith Service at 8 p.m. tonight at Temple Beth-El, 3330 Grove ave.

After the brief services, there will be an informal discussion and a reception in the Social Hall.

## Long Receives Appointment

Mr. Thomas R. Long, assistant professor of Dramatic Art, has been named chairman of the Nominations committee for the college and university division of the South Eastern Theater Conference.

The appointment was made by Herman Middleton, chairman of the college and university division of the conference and instructor at the Women's College of the University of North Carolina in Greensboro.

Mr. Long will meet with members of the convention in April to appoint a Nominating committee who will select a chairman and vice chairman for the college and university division. These officials will serve during the 1963-64 school term.

The South Eastern Theater Conference is composed of three other divisions, including children's theater, community theater and professional theater. Mr. Long will represent groups from Kentucky, Tennessee, Mississippi, Alabama, North Carolina, South Carolina, Georgia, Florida, Virginia and West Virginia, who are members of the college and university division.

The theme for the conference will be "These Are Theater, Too." Panel discussions will emphasize religious drama and music in the theater. The conference is celebrating its 40th season anniversary.

Mr. Long is completing his doctorate at Michigan State.

### Roach and Hall Attend Conference

Dean J. Kenneth Roach and Dr. Curtis Hall, director of the School of Business, will return tomorrow from a 4-day education conference in Chicago.

Dean Roach is attending a meeting of the American Organization for Teacher Education, which includes persons from all colleges with teacher education programs.

Dr. Hall is attending a meeting of the National Association for Business Teacher Education and he will lead a discussion group probing "Federal Aid to Business Education."

## Hampden-Sydney Foe Tuesday

## Green Devils Play Randolph-Macon Tonight

By Tom Weedon

RPI's Green Devils will present their "newly found" defense tonight when the team travels to Ashland to play the powerful Yellow Jackets of Randolph-Macon.

The Green Devils, who have been woefully weak on defense most of the season, played a fine defensive game Tuesday night against Old Dominion. Before then, the Green Devils had given up 100 or more in two of their last three games.

(The Pep Club will charter a Virginia Transit Company bus to tonight's contest and also to Hampden-Sydney on Tuesday. The bus will leave RPI at 6 p.m. for Randolph-Macon (.60 fare) and at 5 p.m. for Hampden-Sydney (\$1.70 fare). Persons interested in attending these games must contact Mrs. McGinty in gym 14.)

## Varsity Club Nips Hasbeens; Sots Play 712

The Varsity Club moved to within a game and a half of first place in the men's intramural basketball league Monday with a thrilling 73-68 win over the fourth-place Hasbeens.

Paced by the scoring exploits of Don "Flea" Lee (26) and C. G. Grizzard (22), the Varsity Club ran its record to 11-2 and at the same time avenged an earlier season loss to the Hasbeens.

The unbeaten (12-0) Sots will face a stiff challenger this week Wednesday in 712#1. Should the Sots be upended by 712, the Sots' lead over the Varsity Club would be reduced to one game. All four tournament berths have been clinched but the order of seeding has not been established. The Sots have the roughest closing schedule of any of the top four teams. The Sots must play all three of the top challengers—the Varsity Club, 712#1 and the Hasbeens.

With Grizzard getting 16 of his 22 points and Lee 14 of 26, the Varsity Club jumped off to a quick lead over the Hasbeens and by halftime had increased the margin to 14 points.

With Bubba Crone scoring 10 straight points, the Hasbeens reduced the margin to 45-43 with 16-plus minutes left. The lead switched hands several times before the Varsity Club finally went ahead to stay, 63-62, with four minutes to play.

Big Cliff Brown led the Hasbeens in scoring with 21 points. Crone added 19 and manager P. T. Hastings 17.

In Monday's opening contest, 712#2 handed the winless German Club its 13th straight defeat, 78-60.

The German Club led 712 by as many as seven points in the first half and the score was deadlocked with five minutes to play. Howard Claybough paced 712 with 36 points. Jon Motley had 16 and Junior Balderson 13. Jim Antonick had 24, Don Archuleta 16 and Tommy Hastings 10, for the German Club.

As of Wednesday, the Green Devils were 12-8 overall and 6-4 in the Little Eight, but a rough road schedule looms ahead as the team attempts to finish above the .500 mark for only the third time in the last 12 years.

Tonight's contest with Randolph-Macon starts the rugged four-game road trip. Tuesday night, the Green Devils travel to Death Valley to play Hampden-Sydney, and next Friday, the Devils close out their season at Pembroke, N.C. with Pembroke State Teachers College.

Tuesday night, the Green Devils came roaring back from a three-point halftime deficit to trounce Old Dominion College, 90-78.

A small but jeering home crowd watched the Green Devils outscore the Monarchs, 22-4, at the outset of the final half. The Devils shot a fantastic 63 per cent (24 of 38) in the second half.

The Green Devils grabbed the lead on two layups by Tommy Walsh at the 16-plus minute mark and then rolled off 16 straight points before the Monarchs could score again. The Monarchs cut the margin to 73-63 with 5:24 left, but the Green Devils then went on to increase the margin to 20 points in the next two minutes as George Shaheen hit for eight points in the spurt, including two three-point plays, and Bobby Muse added a jumper. Muse paced the

Devils in scoring with 22 points. time in the first half by nine points but by halftime the Hornet margin had been reduced to one. The contest was deadlocked at 70-70 with three minutes left. Bobby Muse then hit on a jumper for the Green Devils and the Hornets were able to score only two points thereafter, while the Devils were tallying 13. The Green Devils had a torrid shooting second half—hitting 20 of 26 shots. For the game, the Devils hit 37 of 65 for 57 per cent. Muse paced the scoring with 26 points. Tommy Walsh added 22 and George Shaheen 16.

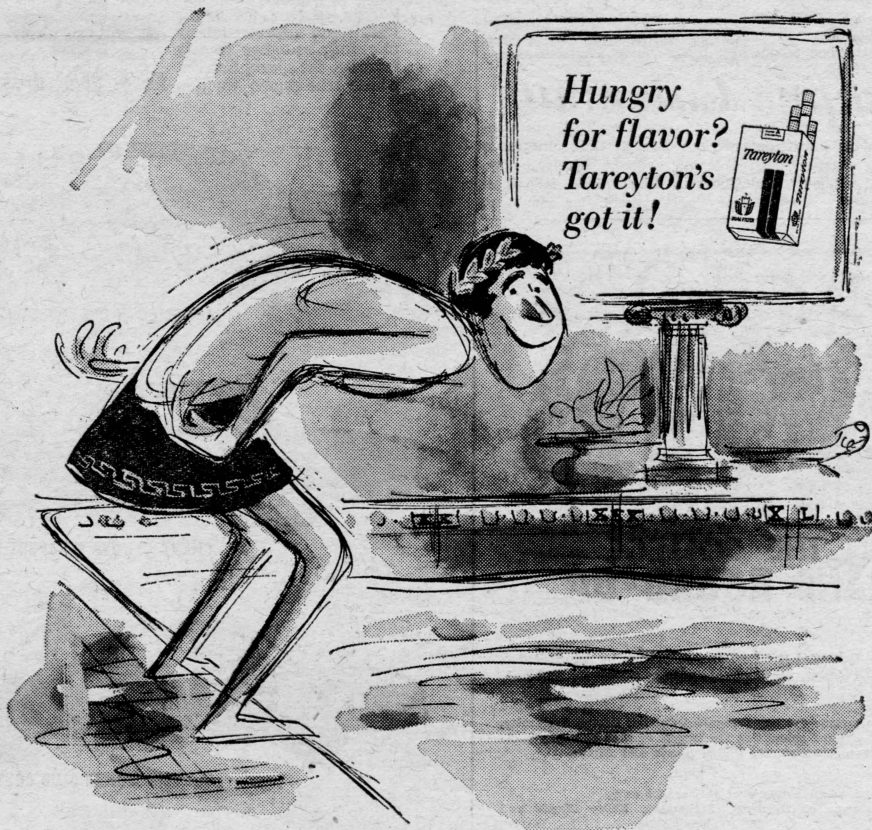

Frederick became the first team to defeat the Green Devils twice this season and the second team to defeat the Devils at home, when the Lions turned back the Devils, 101-81, Saturday night. The Lions began to pull away at the 12 minute mark in the second half and the point spread from here on in was around 20.

During halftime, Bobby Muse was presented the most valuable player award and also the Edward M. Bigger sportsmanship trophy. Muse also received the most valuable player award last season.

Last Thursday, the Green Devils posted their third win in nine outings on the road by turning back Lynchburg's Hornets, 83-72, for the second time this season. The Green Devils trailed at one

## New Class Ring Sale Will Start on Monday

The new RPI rings will go on sale Monday in the Rotunda.

Junior class members will take orders for 1963 and 1964 class rings from 9 a.m. to 4 p.m. until March 1. Rings will not be sold at any other time, or through any agency other than the Ring committee.

A \$10 deposit will be required on the men's rings, which cost \$55. Girls will be required to deposit \$5 toward the \$32 price of their rings.

dent, said that a limited number of tickets will be on sale for the dance in the Rotunda from 8 a.m. until 4 p.m. each day this week.

No tickets will be sold at the door of the dance.

The Mid-Winters formal will be held from 9 p.m. until 1 a.m. tomorrow night in the ballroom of the Mosque. Free 1:30 lates are available for women dormitory students attending the dance.

Although the dance is formal, men are not required to wear tuxedos.

The music for the dancers will be provided by a 14-piece orchestra from Duke University, the Ambassadors. They will feature eight other Duke students in a singing and recording group called the Harlequins.

The Ambassadors orchestra organized three years ago at Duke, the same school that produced Les Brown's famous orchestra. They are all scholarship students.

The Harlequins organized last spring as a recording group. They have already put out one album, "The Harlequins," on the HARCAP label, and are getting ready to cut another this spring.

Their first album not only has original songs of theirs on it, but features some old favorites, such as "Gone With the Wind," and "When I Fall in Love".

Final payment on the rings will be collected on delivery in late May. Profits from the sale of the rings will be used to cover the necessary changes each year and to pay for publicity and decorations for the ring dance.

The women's ring is a black onyx set in a simple gold band. The new and official school crest will be cut into the stone in intaglio, a process by which the design is depressed below the surface of the stone so that the image will be in relief. The graduation date and the degree earned will be engraved inside the band.

The men's ring is massive size. On one shank, the city of Richmond is represented by the motto "Sic Stur Ad Astra" and the city founding date, 1782, derived from the city flag. Above the shield are the crossed flags of the United States and Virginia, flanked by laurel leaves representing achievement and myrtle leaves, friendship. The degree is engraved on the shield.

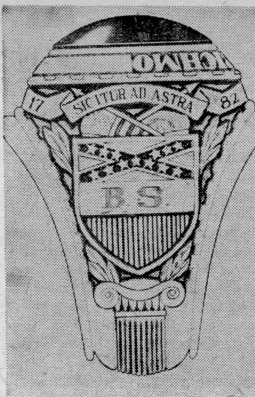

On the other side of the ring, the motto "We Shall Not Forget" is engraved in the Latin, with the graduating class year. The school seal displays Business, represented by the world; the Sciences, swirling atoms and the Arts, a palette. Superimposed on the world symbol is the lamp of knowledge over a replica of the Administration Building.

An Ionic column and capitals form the band. On either side are the laurel and myrtle leaves. The crenellated inner frame symbolizes the top of a fortress, suggesting the martial history of the state.

The rings are being furnished by the Josten Ring co. of Minneapolis.

## Interviews for Jobs

A representative from the Connecticut Mutual Life Insurance Company will be here Monday, February 25, to hold interviews for positions with the company.

The other films to be shown are "Ikuru" and "Bowl of Cherries," March 8; "Picnic on the Grass," March 22; "Storm Written" and "Two Men in a Wardrobe," April 12 and "Blue Angel," April 26.

## Four different ways to make going more fun than getting there

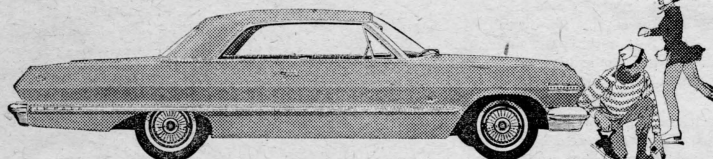

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the Jet-smooth Chevrolet, about as luxurious as you can go without going overboard in price; the low-cost Chevy II, a good-looking car that would send any family packing; another family favorite, the sporty Corvair, whose rear-engine traction

will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, Corvette—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already?

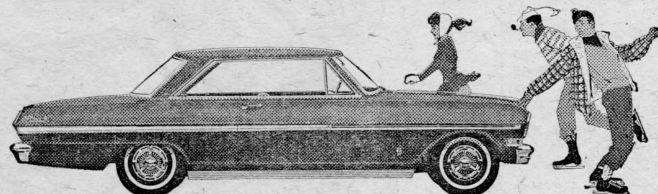

The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!
