

Networking Resources

Here are few additional resources that will help you explore the speed networking format:

Speed Networking (Wikipedia)

en.wikipedia.org/wiki/Speed_networking

Good overview of Speed Networking and its different variations

NCACPA.org

www.ncacpa.org/wp-content/uploads/2014/04/Speed-Networking-Event-How-to.pdf

North Carolina based CPA association giving general guidelines on how to plan an event.

AlumniConnection.com

www.alumniconnections.com/olc/filelib/SRA/email/Library/SpeedNetworking_Guide2pg.pdf

An example of a speed networking guide from Strayer University.

Fast Company

www.fastcompany.com/3015824/dialed/confessions-of-a-speed-networking-virgin

Recent article about speed networking from a more informal perspective.

Your local Chamber of Commerce (or look for other local organizations)

Check their calendar to see when Speed Networking events are held and for a contact.

Example from Main Street Chamber in Charlotte:

mainstreetchambercharlotte.org/speed-networking-101/
