

me to PNASpermissions

Nov 8

Hello,

I would like permission to reprint figures from the paper by Day et al. titled "Modeling the immune rheostat of macrophages in the lung in response to infection."

Below is my information:

Sarah Minucci, Ph.D. student in Systems Modeling & Analysis

Virginia Commonwealth University

Mailing address:

119 S. 1st St. #307

Richmond, VA 23219

Phone Number: [\(615\)512-3030](tel:(615)512-3030)

Email: minuccisb@vcu.edu

Information about the PNAS article:

Volume 106, Issue 27

Issue date: July 27, 2009

Article title: Modeling the immune rheostat of macrophages in the lung in response to infection

Authors' names: Judy Day, Avner Friedman, and Larry S. Schlesinger

Permission to reprint:

Figure 1, page 11247

Figure 2a, page 11249

Information about the publication:

These figures are intended for my master's thesis, titled "Mathematical Models of Inflammatory Response in the Lungs."

Author: Sarah Minucci, Advisor: Angela Reynolds

This work is not intended for commercial use.

Thank you for your consideration,

Sarah Minucci
