Dear Class of 2015:

Virginia Commonwealth University is a premier national research university with a mission focused on people. Research that helps people. Care that heals people. Teaching that empowers people. Service that embraces people.

Our greatest successes, then, are the successes of our people, including those of you who are earning your degree today. You are graduating from one of America's great public research universities; as such, your educational experience has been about more than completing your courses and receiving a grade. It has been about making your knowledge real to solve real problems that will make a real difference in the real world. It has been about becoming leaders in your academic disciplines and in your communities. It has been about innovating, transforming and creating opportunities for yourself and others.

You are part of a rich legacy at VCU. For 177 years, your alma mater has focused on helping students like you become creators, innovators and entrepreneurs who will advance the human experience around the world. As you graduate from VCU, always remember that your opportunities are boundless because your potential is limitless.

On behalf of the faculty, staff, students and alumni of VCU, I congratulate you on the remarkable achievement of your commencement. We are so proud of you and encourage you stay connected to your alma mater forever.

Best wishes,

Michael Rao, Ph.D.

Honorary Doctor of Humane Letters

2015 Recipient
Gov. Terence R. McAuliffe

The Honorary Doctor of Humane Letters is Virginia Commonwealth University's highest form of recognition. Presented by the president at Commencement, it recognizes those individuals who have made outstanding contributions to society through scholarship, public service, humanitarianism, science and art.

Gov. Terry McAuliffe is the 72nd governor of Virginia. Since being sworn into office, Gov. McAuliffe has aggressively focused on building a new Virginia economy. His trade missions, including two to China, have resulted in thousands of jobs and billions of dollars in investment in the commonwealth. To ensure that Virginia remains competitive, he has implemented major economic development initiatives designed to strengthen the commonwealth's pro-business climate, ensure efficient investment in world-class infrastructure and develop a 21st-century workforce capable of meeting the needs of emerging businesses and industries.

Gov. McAuliffe is committed to making sure that every Virginian has an equal right to succeed, regardless of his or her race, gender, religion or sexual orientation. In his first executive order, he banned discrimination against LGBT state employees and has worked to make sure Virginia is in compliance with a federal ruling that overturned the previous statewide ban on same-sex marriage.

In support of Virginia's nearly 800,000 veterans, he expanded the Virginia Values Veterans initiative, which encourages employers to recruit, hire, train and retrain veterans. He also is committed to increasing veterans' access to health care. His 10-step plan, A Healthy Virginia, improves and expands access to health care for veterans, individuals with serious mental illness, low-income pregnant women and working families. Gov. McAuliffe has also directed the Virginia Board of Health to revisit regulations that threatened to shut down women's health clinics and has joined with a bipartisan coalition of state leaders and educators to reform the Standards of Learning tests in an effort to make them work better for all Virginians.

Gov. McAuliffe attended Catholic University and Georgetown Law School. A lifelong entrepreneur, he started his first business at age 14 and went on to create more than two-dozen companies. At age 30, he became the nation's youngest bank chairman.

Gov. McAuliffe served as chairman of the Democratic National Committee from 2001 to 2005, co-chairman of President Bill Clinton's 1996 re-election campaign and chairman of Hillary Clinton's 2008 presidential campaign.

He and his wife, Dorothy, were married in 1988 and have five children.
Presidential Medallion

The Presidential Medallion was established in 1984 by the Virginia Commonwealth University Board of Visitors to honor the outstanding contributions of members of the university community. Presented by the president at Commencement, the award recognizes these individuals for extraordinary achievement in learning and commitment to the mission of VCU.

As provost for life sciences and research at Virginia Commonwealth University, Thomas F. Huff, Ph.D., led VCU's march into the age of genomic research.

Dr. Huff was named vice provost in 2001, charged with putting VCU at the forefront of U.S. universities preparing students in the new fields of the biological sciences that had opened through research to sequence the human genome. He was critical in the success of the academic programs and research initiatives in the highly interdisciplinary fields. Through his commitment to the study of biological complexity, he led hundreds of faculty members across both campuses and at the Inger and Walter Rice Center for Environmental Life Sciences, the Center for the Study of Biological Complexity and the Center for Environmental Studies.

Dr. Huff earned a bachelor's degree in microbiology from Clemson University and a Ph.D. in immunology from the University of Louisville. He arrived at VCU in 1985 as an assistant professor in the Department of Microbiology and Immunology. He was promoted to associate professor in 1991 and to professor in 1995. During his 30-year career at VCU, he also served as director of the intramural grants program and group leader of the immunology program at VCU Massey Cancer Center.

In addition to his work at VCU, Dr. Huff was involved in numerous organizations in the Richmond, Virginia, community including serving on the board of directors at Lewis Ginter Botanical Garden.

Dr. Huff, who died in March 2015, was married to May Ligon Huff and had two children.

Academic Costume

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval caputium) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk’s cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor’s gown was often furred, which survives today in the ornamentation found on the doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Virginia Commonwealth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Baccalaureate, Master's, doctoral and first professional degrees.

VCU Commencement 2015  9
Recipients of Degrees

Because of rigid time requirements, this program must be printed before the final list of degree candidates and final graduation honor status for undergraduate students can be determined. The exclusion of the name of a student is not to be taken as indication of official status as a nongraduate, nor is the inclusion of a name of a student to be taken as certification of official status as a graduate. Only undergraduate students are eligible for honors designations. These designations do not apply to the degrees received by graduate students.

Abdul Talib, Yurita Yakimin
Business
Kedah, Malaysia
B.A., University of West of England
M.S., Universiti Sains Malaysia
Dissertation: “Intrinsic Motivation and Information Systems Security Policy Compliance in Organizations”
Dissertation Adviser: Gurpreet Dhillon, Ph.D.

Abrams, Jasmine Alexis
Health Psychology
Norfolk, Virginia
B.S., Virginia State University
Dissertation: "The Heart of Strength: The Strong Black Woman Schema and Cardiovascular Disease Risk"
Dissertation Adviser: Faye Belgrave, Ph.D.

Abreu, Marissa Baddick
Chemistry
Bangor, Pennsylvania
B.A., Virginia Commonwealth University
Dissertation: "The Synthesis, Characterization and Application of Solid Supported Nanoparticles"
Dissertation Adviser: B.F. Gorton, Ph.D.

Adney, Scott K.
Physiology and Biophysics
Reston, Virginia
B.S., University of Virginia
Dissertation: "Protein Kinase C Dependent inhibition of Kir3.2 (GIRK2) Activity and Its Molecular Determinants"
Dissertation Adviser: D. Michael McCue, D.B.A.

Alam, Asim
Biochemistry
Richmond, Virginia
B.S., King Saud University
M.S., University of Delaware
Dissertation: "Elucidating the Molecular Determinants of Radio-Sensitization of Breast Cancer Cells via Promotion of Senescence and Autophagy"
Dissertation Advisers: Lawrence F. Povirk, Ph.D.

Alotaibi, Moureq Rashed
Pharmacology and Toxicology
Riyadh, Saudi Arabia
B.S., University of Florida
Dissertation: "The Role of the Nucleosome and Histone Deacetylase (NURD) Complex in Fetal 8-Globin Expression"
Dissertation Adviser: Gordon Ginder, Ph.D.

Alvassili, Osama Ibrahim
Pharmaceutical Sciences
Riyadh, Saudi Arabia
B.S., University of Florida
Dissertation: "The Heart of Strength: The Strong Black Woman Schema and Cardiovascular Disease Risk"
Dissertation Adviser: Faye Belgrave, Ph.D.

Almohaini, Mohammed Ahmad
Pharmacology and Toxicology
Al-Ahsa, Saudi Arabia
B.Pham.Sc., King Saud University
M.S., Virginia Commonwealth University
Dissertation: "Development of Natural Cyclic Peptide Inhibitors of XRCC4/XLF Interaction for Radio-Sensitization of Breast Tumor Cells"
Dissertation Adviser: Lawrence F. Povirk, Ph.D.

Amaya, Maria Laura
Microbiology and Immunology
Miami, Florida
B.S., University of Florida
Dissertation: "Mechanisms of Abuse-Related Effects of Monoamine Releasers in ICSS in Rats"
Dissertation Adviser: S. Stevens Negus, Ph.D.

Baer, Matthew Louis
Neuroscience
Richmond, Virginia
B.S., University of Florida
Dissertation: "The Role of the Nucleosome and Histone Deacetylase (NURD) Complex in Fetal 8-Globin Expression"
Dissertation Adviser: Gordon Ginder, Ph.D.

Ballard, Velma Jones
Public Policy and Administration
Emporia, Virginia
B.A., Virginia State University
Dissertation: "Patterns in Chaplain Documentation of Assessments and Interventions: A Descriptive Study"
Dissertation Adviser: Diane Dodd-McCue, D.B.A.

Bailey, Clayton T.
Pharmacology and Toxicology
Deland, Florida
B.S., Wake Forest University
Dissertation: "Mechanisms of Abuse-Related Effects of Monoamine Releasers in ICSS in Rats"
Dissertation Adviser: S. Stevens Negus, Ph.D.

Bennett, Andrew Alan

University Honors and Awards

Honors College

VCU bestows the accolade of "graduation with University Honors" on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn by these students at Commencement recognize this achievement; this distinction also is noted on the students' official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service and patient care. To realize and recognize academic excellence is VCU's highest priority. The Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.
The Honor Society of Phi Kappa Phi

Phi Kappa Phi is a national honor society founded in 1897. The Virginia Commonwealth University chapter was established in 1976. The primary objectives of the society are to promote the pursuit of excellence in all fields of higher education and to recognize outstanding achievement by students, faculty and others through election to membership and various awards for distinguished achievement.

Phi Kappa Phi typifies the honor society's ideal characteristic of American higher education, for it exists for the dual purpose of recognizing and honoring those students who attain high scholastic achievement and encouraging those students who are capable of doing so.

Phi Kappa Phi is unique because it recognizes scholarship in all academic disciplines and does not restrict membership to a specific field. Its interest and eligibility are extended across all subjects offered at the modern university and, by so doing, the society highlights the importance of appreciating and understanding more than a single limited specialty.

Dear graduate,

On behalf of VCU Alumni, I am privileged and honored to congratulate you on this wonderful occasion. Although you likely received much support and encouragement from your families and friends, this is a personal educational achievement that is a tribute to your hard work and intellectual perseverance.

As you bring this chapter of your academic career to a close, we hope you will recognize that your university and your alumni organizations have provided you with solid ground from which to grow. We also hope that you, as alumni, will use your significant talents and energies to not only continue your alumni organizations' stewardship for future generations but also to expand upon it.

We invite you to join more than 173,000 VCU alumni throughout the world and, with words and deeds, show the excellence and quality of your education. Be proud of your university, because we are proud of you! Our wish for each of you is that you realize your full potential and, in doing so, find a method of contributing back to society and the university in a way that is meaningful for you.

I hope you will become an active member of VCU Alumni and get fully engaged with your alma mater. We won't be the best VCU Alumni we can be without U!

Yours for VCU,

President, VCU Alumni
Congratulations to all!
